

## The Yun Family's Ninth Child is an Imp! Chapter 1090

Although the previous batches of students were very serious in their practice, none of them were able to establish a spiritual connection with the demonic beast egg. However, that was also according to expectations. After all, they had only attended three beast taming classes so far. If they wanted to successfully establish a connection with the demonic beast egg, they would need at least a few months of practice before they would be successful.

Finally, it was Yun Chujiu's turn!

She had not officially practiced before. The first time, it was because of the demonic beast egg riot, and the second time, it was because she had asked for a leave of absence after she agreed to compete with Yin Sulian. Therefore, she excitedly walked to the front and began to practice.

She was full of confidence in herself. She felt that a genius like her would definitely succeed after practicing a few times. Unexpectedly, after trying for a while, the demonic beast egg that she practiced with did not have any reaction at all.

It was almost time to end the class. Instructor Qian said, "Alright! You guys can return to your groups! We'll continue practicing next time."

Yun Chujiu was unwilling, but she could only do as she was told in a sullen mood.

Instructor Qian gave some notes and announced the end of the class. Yun Chujiu followed the crowd and walked out. Coincidentally, she had just walked past the Barbaric Bear's Beast House when she saw the third-grade students. It turned out that they also had a beast-taming class today. Instructor Qian just happened to finish the first-grade beast-taming class and went straight to the third-grade beast-taming class.

Yun Chujiu lowered her head and pondered over the reason for her failure just now, then, she heard someone say with disdain, "Yo, isn't that the famous Yun Chujiu? You have a big heart. Your death will

be in half a year, and you still have the mood to take a beast taming class? Don't tell me you think that you can learn beast taming after cleaning the Beast House for two days?!"

Yun Chujiu raised her head and looked up. The one who spoke was Wu Heng.

After Wu Heng had embarrassed himself last time, the more he thought about it, the more he felt that it was Yun Chujiu's doing. In his heart, he hated Yun Chujiu! Moreover, he secretly liked Yin Xinlian, who was in the same class as him. Yun Chujiu had embarrassed Yin Xinlian in front of everyone, and that made him hate Yun Chujiu even more. When he saw Yun Chujiu, he could not help but mock her.

Yun Chujiu was already in a bad mood. Now that Wu Heng had provoked her, all her anger was vented on him. "Wu Heng, if it weren't for me, you would have been kicked out of Tianyuan Academy long ago. Not only are you ungrateful, but you even repaid my kindness with enmity. You're worse than a demon beast! Get lost!"

Wu Heng had not expected Yun Chujiu to suddenly humiliate him in front of everyone. He got so angry that his face turned red. "Yun Chujiu, don't look at how you won against Yin Sulian. If you have the ability, you can compete with me in Beast Taming!"

"Compete with you in Beast Taming? Aiya, I probably can't compete with you. After all, you look so much like a bear. Perhaps you guys are even related. How can I compete with you?!" Yun Chujiu said with a smile, 'little fellow, you want to compete with my glib tongue? I don't even have to swear when I scold people.'

When everyone heard Yun Chujiu's words, they could not help but laugh out loud. Wu Heng grew even more embarrassed. He gritted his teeth and he said, "Yun Chujiu, you piece of trash. It's useless to talk nonsense. To put it bluntly, you just don't dare to compete with me. Your Huang Class is trash! Your Azure Mystic Continent is the trashiest among trash!"

Yun Chujiu's small face immediately sank. "Wu Heng, you've provoked me several times, but I didn't lower myself to your level. Apologize to me immediately, or I won't forgive you."

“Apologize? Not forgive me? Yun Chujiu, what right do you have to say that? Who do you think you are?!” Wu Heng said arrogantly.

Yun Chujiu suddenly moved forward and kicked Wu Heng in the stomach. Wu Heng did not expect Yun Chujiu to suddenly kick him without a word and break the rules of the Academy. Yun Chujiu kicked him more than ten feet away without any warning and he slumped to the ground in a sorry state..
