

## The Yun Family's Ninth Child is an Imp! Chapter 1091

Everyone was stunned!

Yun Chujiu was too daring. She dared to blatantly violate the academy's rules. She had just beaten up her senior again!

Yin Sulian was secretly delighted. That Yun Chujiu was really an idiot. She did not even need her sister to trouble herself to issue a challenge. She dared to beat up her senior so she would face the consequences soon. Not only did she violate the Academy's rules, but that Wu Heng was also Instructor Wu's nephew. Instructor Wu would not let her off so easily.

Wu Heng climbed up in a sorry state and shouted, "Yun Chujiu, you dared to beat me up. This is a violation of the rules of the academy. I'll go to the disciplinary department to report you. Just wait to receive your punishment!"

Yun Chujiu curled her lips, she said indifferently, "Go ahead. You'd better go and report it to Instructor Yuan. I believe that Instructor Yuan will remember some interesting memories. Moreover, I have a good memory so I remember some things very clearly. Moreover, I believe that those Vermillion-beaked Long-feather Cranes will also help me testify."

Wu Heng was stunned for a moment before he said in a flustered and exasperated manner, "Yun Chujiu, don't think that you can blackmail me just like that. You know very well what exactly happened last time."

"You know very well? Didn't you already investigate the truth last time? Are you questioning Instructor Yuan or your uncle, Instructor Wu? Or do you think that the Cranes are lying? If you have the ability, go ahead and sue me. I'll wait!" Yun Chujiu's small face was full of arrogance, she was certain that Wu Heng would not dare to report her.

Wu Heng gritted his teeth. “Yun Chujiu, don’t be so arrogant! If you have the guts, then compete with me in Beast Taming. Otherwise, you’ll be admitting that your Huang class and the Azure Mystic Continent are trash!”

“Wu Heng, do you still have any shame? You’re a third-year student, and you want to compete with a new student who just attended two classes. You’re shameless! I don’t have the time to bother with you. Stand aside!” Yun Chujiu was not stupid, it was different from competing with Yin Sulian. The difference was too great so only a fool would agree.

Wu Heng looked at Yun Chujiu’s back and gnashed his teeth in anger. ‘Yun Chujiu, I won’t forgive you. Let’s wait and see.’

Another three days passed. That morning, it was another day for beast taming class.

Yun Chujiu and the others followed Instructor Qian to the yard where the demonic beast eggs were located. Instructor Qian saw the instructor inside and was stunned. “Instructor Bai? Isn’t Instructor Du always in charge of the hatching of the Demonic Beast Egg?”

Instructor Bai frowned unhappily. “Instructor Qian, although I’m not that talented, I’m still an instructor of the Spirit Beast Garden. Do you have a problem with me being transferred here?”

“Instructor Bai you misunderstand. I’m just a little surprised. Please forgive me.” Instructor Qian felt that what he said just now was indeed a little abrupt, so he quickly apologized.

Instructor Bai snorted coldly. “Forget it. I’m not a petty person. You guys can start the lesson.”

Although Instructor Qian was a little uncomfortable, he could not say much since he was in the wrong. He proceeded with the class.

Instructor Qian first answered some of the students' questions, then explained some things to take note of so that everyone could practice in groups.

Yun Chujiu was still in the last group. She had thought about it ever since the last class, but she could not figure it out. She itched to try it again.

Finally, it was Yun Chujiu's turn. She tried, but failed once again, and returned to the group unhappily.

Instructor Qian encouraged everyone and announced the end of the class. Just as Yun Chujiu was about to leave with the others, Instructor Bai stopped her..
