

The Yun Family's Ninth Child is an Imp! Chapter 1093

"That's impossible. The effect of the beast-luring incense is limited. How did those Demon Beast Eggs fly out with Yun Chujiu?"

"Oh no! This has gotten out of hand. I have to quickly consult Instructor Wu!"

Instructor Bai wiped the sweat off his forehead and quickly went to look for Instructor Wu.

At that moment, Yun Chujiu had already run to Dean Huangfu's courtyard in one breath. She was already used to using that place as her sanctuary.

"Big Brother Guard! Big Brother Guard! Quickly let me in! The Demon Beast Eggs have gone crazy!" Yun Chujiu shouted.

That burly guard was scared silly!

'F*ck!'

'Why was it that every time this little girl came, she was always in a rush? The last time, she brought about more than ten hours of heavenly lightning. This time, it was hundreds of Demon Beast Eggs!'

Yun Chujiu did not have the time to say anything and barged into the courtyard. "Dean, sir, help! The Demon Beast Eggs have gone crazy!"

Dean Huangfu heard Yun Chujiu's shouts and left the study room. First, he saw the little girl barge in while in a hurry. Then, hundreds of Demon Beast Eggs of different sizes flew or jumped over.

The corner of Dean Huangfu's eyes twitched violently. What happened to this little girl was always so unbelievable. He hurriedly released his spiritual pressure. Under the immense pressure, the Demon Beast Eggs trembled and stopped moving.

Yun Chujiu saw that the Demon Beast Eggs had been intimidated by Dean Huangfu's pressure. She quickly took advantage of the situation. With one hand on her waist and the other pointing at the Demon Beast Eggs, she cursed, "You Idiots, I'm not your mother. Why are you chasing me for no reason?!"

The corner of Dean Huangfu's eyes twitched again. This little girl was shameless. He coughed dryly and asked, "Yun Chujiu, what's going on?"

Yun Chujiu's expression immediately changed from one of arrogance and anger to a pitiful look. "Dean, I'm also puzzled. I was cleaning the place, but then these Demon Beast Eggs suddenly attacked me. Although I can use my spiritual power to attack them, I thought that being treasures of our academy, I hesitated. I have to consider the overall situation first after all. Therefore, I endured the humiliation and risked my life to run all the way here to seek your help."

Dean Huangfu cursed in his heart. This little girl, at such a time, still made herself look like a saint. He did not know whether to praise her for being calm or thick-skinned!

At the time, Instructor Qian rushed over when he heard the news. Just as he walked to Yun Chujiu's side, he smelled beast-luring incense on her. Instructor Qian frowned. "Why do you smell like beast-luring incense?"

Yun Chujiu's face first revealed a surprised and puzzled expression, then, she angrily said, "Someone must have framed me! Dean, Sir, you have to stand up for me! I'm such a kind and honest person, yet someone framed me. Won't the other students and instructors feel even more insecure?!"

Dean Huangfu and Instructor Qian looked at each other. They both had the same thought in their hearts. 'You're really shameless. How can you be so honest with your thorny head? If this were true honesty, there wouldn't be any more dishonest people in Tianyuan Academy!'

However, there was actually someone who used the Academy's Demon Beast Egg as a means of framing people. His heart was truly excruciating. He was too bold!

Dean Huangfu's face was as dark as water. Just as he was about to send a message to Deputy Dean Jiang, Instructor Wu arrived with Instructor Bai.

The moment Instructor Bai entered the courtyard, he asked with concern, "Yun Chujiu, are you alright?! This is all my fault! I'm really sorry. I did not perform my duty well enough. Dean, please punish me.. This is all my fault!"
