

## The Yun Family's Ninth Child is an Imp! Chapter 1096

"Yun Chujiu, cut the crap! Do you dare to agree to my request? If you do, swear an inner demon oath immediately. If you don't, scram!" Yun Chujiu had exposed Wu Heng's hidden thoughts. He wished he could kill Yun Chujiu right now. However, due to the rules of the academy, he had no choice but to restrain himself.

"Junior Sister Little Jiu!"

"Class Monitor!"

Feng Ming's group and the students of the Huang class all looked at Yun Chujiu. The meaning was obvious, their looks told Yun Chujiu not to be impulsive. Yun Chujiu smiled at them, then, she said casually, "What's there to be afraid of?! I'll agree to it!"

Yun Chujiu began to swear in her heart, "By the Heavenly Dao, I, Yun Chujiu, hereby swear that if I lose the match with Wu Heng, I will kneel and admit my mistake and pay him two million high-grade Spirit Stones. If I violate this oath, I will be struck by lightning!"

"Wu Heng, I have finished swearing. It's your turn!" Yun Chujiu said with a smile. She secretly thought to herself, 'Humph, I can't wait for lightning to strike me. Even if I really lose, I will never admit my mistake... You can't do anything about it.'

Wu Heng did not know that there were so many twists and turns in this matter. He also swore an inner demon oath and left after saying those harsh words.

When Feng Ming and the other two students of the Huang class heard that Yun Chujiu had agreed to the competition, they could only sigh and did not know what else to say. Now, they could only hope that Yun Chujiu would create another miracle.

Dean Huangfu and the others watched the whole process in the courtyard, each with their own thoughts. Deputy Dean Yin and the others naturally gnashed their teeth, hoping that Wu Heng would kill Yun Chujiu during the competition.

Dean Huangfu and the others were a little worried. That Yun Chujiu really did not know the immensity of Heaven and Earth. She had only gone through three beast-taming lessons, yet she dared to agree to Wu Heng's challenge, who had learned beast-taming techniques for three years, to have a competition. There was no suspense at all about the result of the competition. This time, she would definitely lose. She was too impulsive!

Just when everyone was lost in their own thoughts, they did not expect Yun Chujiu to jump in again. "Instructor Qian, please come over. I have something to ask you."

Instructor Qian did not understand and followed Yun Chujiu out of the courtyard. He asked curiously, "Yun Chujiu, what is it you wanted to ask?"

"Instructor Qian, please work hard. Use these two days to explain the rest of the beast taming class to me. I won't let your hard work amount to nothing. Here are one million upper-grade Spirit Stones. Please accept it." Yun Chujiu was quite generous when she should be, Instructor Qian was different from Instructor Ji Sha. The two of them were not friends. They could not let the other party get something out of nothing.

Instructor Qian was angry and happy. "Little Girl, you are very generous. I don't want your Spirit Stones. I just want to know one thing. How did you pull out the tail feathers of the crane group back then?"

Yun Chujiu thought in her heart that it was good that she had activated the isolation array. Otherwise, it would be bad if others heard her. She giggled. "It's very simple. I sprinkled some sleeping powder on their food. They were raised by humans for a long time and were not suspicious of their food at all. They were tricked by me. I plucked all their tail feathers the minute they all fell asleep."

Instructor Qian's jaw dropped...

“Then how did you get them to testify against Wu Heng?” Instructor Qian was very confused.

“It was very simple. I threatened them. If they dared to testify against me, I would pluck the rest of their feathers. Even if I was fired, I would have a way to get others to help me do it. If they didn’t want to run around naked, they had to listen to me. Moreover, Wu Heng happened to want to try taming them, so the crane group vented their anger at him.”

Instructor Qian almost dislocated his jaw...
