

The Yun Family's Ninth Child is an Imp! Chapter 110

Everyone in the Yun family was panicking, but Yun Chushan's eyes revealed a trace of pride. It was a success!

Yun Chushan looked around and finally saw the Bai siblings. Bai Moyu had clearly seen the situation here, so he nodded slightly at Yun Chushan.

Yun Chushan's heart was filled with joy, and she pretended to ask Yun chujiu, "Little Jiu, are you in a lot of pain? Can you hold on?"

Yun Chujiu's small face scrunched up. "No, my stomach hurts so much that it's hard for me to walk!"

"If that's the case, then you won't be able to take the test! What a pity!" Yun Chushan said the words of pity, but her eyes could not hide her gloating.

"Third sister, Little Jiu has always eaten the same things as us. She ate the pastries you bought last night. Did you do something to her?" Yun Chuqi pushed away the pretentious Yun Chushan and asked angrily.

Hearing Yun Chuqi's words, Yun Chuwu and the others also looked at Yun Chushan with suspicion.

Yun Chushan showed an aggrieved and resentful expression. "Yun Chuqi, you have been targeting me everywhere, and now you're actually framing me! And you actually believe her nonsense! Well, since that's the case, let's split up here. I'll find someone else to form a team!"

After saying that, Yun Chushan didn't wait for the others to stop her. She quickly squeezed out of the crowd and disappeared after making several turns.

Yun Chulu scratched his head. "Third sister is usually not like this. Why is she so impulsive this time?"

“HMPH! What impulsive? She’s just borrowing the slope to get off the donkey. If you don’t believe me, you can take a look later. She must have gotten mixed up with Bai Moyu and the others!” Yun Chuqi said angrily, she then pointed at Yun Chujiu’s forehead and scolded, “Say, you know that she has no good intentions. How dare you eat the snacks she gave you? Are you that greedy?”

Yun chujiu winked at her. “What’s Real is fake, and what’s fake is real. If we don’t do this, how can we let them down their guard? What if something bad happens again?”

Yun Chuqi was surprised and happy. “Little Jiu, are you okay?”

“Shh! Continue acting, let them lower their guard!” Yun chujiu was still holding her stomach and squatting on the ground, looking like she was in great pain.

The faces of the Yun family members stiffened, and with great difficulty, they managed to squeeze out a worried look.

“Little Jiu, but there are only six of US left now. What if we are still one person short?” Yun chusi frowned.

As soon as Yun Chusi finished speaking, a dirty little beggar squeezed in from the side. “You are short of people? Let’s see how I am.”

Yun Chusi and the others were stunned. It was not that they looked down on the beggar, but how did a little beggar at the second level of Qi refinement get the qualification to take the test?

Yun chujiu looked at the little beggar a few times. The little beggar was a little scared by the look and said with a slight tremble, “Forget it if you don’t want to, Humph!”

“Who said I don’t want to? Welcome to join us! How should I address you?” Yun chujiu smiled brightly.

The little beggar saw the sincerity in Yun Chujiu’s smile and was stunned for a moment. He then said in a noncommittal manner, “Qing Si, my name is Qing Si. ”

“Qing Si? You’re a Girl?” Yun Chuba cried out in shock.

The little beggar was instantly like a cat whose tail had been stepped on. He widened his eyes and shouted, “I’m a girl. What’s wrong? Do you have a problem with that?”

Yun Chuba was shocked and said embarrassedly, “I’m just asking what’s wrong. Besides, how can a girl be so dirty? !”

As soon as Yun Chuba finished her words, the little beggar sat on the ground and cried loudly, “Sob, sob, SOB, sob, do you think I want to do this? ! Who asked me to be a girl, who asked me to be born in that shabby family that values boys over girls? ! “
