

## The Yun Family's Ninth Child is an Imp! Chapter 1103

When the Strong Bear saw that the Old Bear had not moved, it proudly roared a few times. Wu Heng stood at the back and laughed arrogantly. "Yun Chujiu, didn't you say that you have already gained control of that Old Bear? Why is it still lying there? It seems that you are spouting nonsense! You are going to lose for sure! It's better for you to quickly kneel and admit defeat!"

Yun Chujiu ignored him. Instead, she looked at the Strong Bear. With one hand on her waist, she pointed at the Strong Bear and scolded, "You stupid bear! Have you forgotten what I've taught you?!"

The Strong Bear was dumbfounded after being scolded. It thought to itself, 'Could this little girl be mentally challenged?!'

"Last time, I've taught you that since you want to cultivate the path of longevity, you have to look at all aspects of the human race! Your hygiene is very good now, but why are you acting like a hooligan now?!"

The reason why people are called human is that they have to be virtuous and respect the elderly and love the young. This Old Bear is your elder. You have no grudges and have lived together for many years. Do you have the heart to humiliate it like this? Don't you think about how you will feel when other bears humiliate you when you are old?" Yun Chujiu said bitterly with a look of resentment.

The Strong Bear, Old Bear, and everyone else were all dumbfounded!

Trying to reason with the bear?!

Was Yun Chujiu crazy?!

That bear was a Demon Beast, how could it understand such logic?!

Wu Heng laughed out loud, “Yun Chujiu, are you stupid?! If these beasts can act like us humans, how can they still be called beasts?! Smelly bear, what are you still standing there for?! Hurry up and attack that useless Old Bear!”

When the Strong Bear heard Wu Heng’s words, it roared unhappily, but it still walked towards the Old Bear. Although Yun Chujiu’s words touched it a little, now it was being controlled by someone else. If it did not follow the orders of the person who controlled it, its spiritual sense would be in great pain. In order not to suffer, it had to listen to the Fatty.

“Stop! Are you that cheap?! He called you a Smelly Bear, yet you still listen to him? Where is your pride and moral integrity as a Demon Beast?! To think that you are so big and have no brains at all! If you attack your elders according to his orders today, you will not be able to cultivate the Great Dao in your lifetime. This will be the humiliation of your lifetime!” Yun Chujiu shouted sternly.

The Strong Bear was stunned by Yun Chujiu’s imposing manner and stood motionless. At that moment, it felt that its bear brain could no longer bear it!

Although it should listen to the orders of the person who commanded it, why did it feel that what the little girl said made sense?! It was too disgraceful to listen to the orders of that damn fatty and attack its elders!

Wu Heng’s heart sank when he saw that the Strong Bear had stopped where it was. He used his spiritual sense to test the Strong Bear’s. “What are you stopping for? Hurry up and attack!”

The Strong Bear’s spiritual sense was in pain. It no longer cared about Yun Chujiu’s words and rushed towards the Old Bear.

Yun Chujiu rolled her eyes and shouted at the Old Bear, “Old Bear, get lost!”

The Old Bear instinctively followed Yun Chujiu’s instructions and rolled on the ground, dodging the Strong Bear’s attack.

Yun Chujiu continued to shout, "Old Bear, do you want to regain your former prestige?! Do you want to establish your dominance as an elder bear in front of this bear cub? If you do, take the initiative to establish a spiritual connection with me.. If you want to live like this for the rest of your life, then give up on yourself!"
