

The Yun Family's Ninth Child is an Imp! Chapter 1107

Yun Chujiu, who hid behind Instructor Bai, could not help but click her tongue as she watched. 'Damn, these high-level demon beasts were indeed powerful. Not only were there many wind blades, but they were also extremely fast.'

Instructor Bai was naturally unwilling to be Yun Chujiu's shield. He found an opening and carried Wu Heng, leaped some distance away. Yun Chujiu wanted to chase after him, but she was blocked by a few Barbaric Bears.

Yun Chujiu was confused. She did not have any physical contact with Wu Heng and Instructor Bai. What did they do? Why did these demonic beasts have to attack her?

"Old Bear, Old Bear! Quickly ask, why are your companions coming after me!" Yun Chujiu asked the Old Bear with her spiritual sense as she ran.

Old Bear and Strong Bear were still in a daze. When they heard Yun Chujiu's order, Old Bear roared a few times. The Barbaric Bears also roared back angrily.

"Little girl, they said that Bai controlled them and ordered them to kill you!"

F*ck, it was indeed Bai's trick. Was he stalling for time or using talismans?

"Old Bear, quickly tell them back off. I won't mistreat them in the future if they do!" It was better to focus on one problem at a time and take care of the Barbaric Bears first. Then, she would think of a way to deal with the six Blazing Hurricane Tigers.

The six Barbaric Bears had a good impression of Yun Chujiu. Since there were so many beasts, they could not tell what was going on. It was all they could do to hold back or even help Yun Chujiu avoid the six Hurricane Flaming Tigers.

However, the Barbaric Bear's levels were much lower than the Blazing Hurricane Tigers, so they could only help her a little. Yun Chujiu was eventually forced into a corner by the six Hurricane Flaming Tigers.

The six Hurricane Flaming Tigers drooled as they stared at Yun Chujiu greedily.

"Stop! My Lords, there's a saying. When a man is about to die, his words are kind. Can you listen to my last words?" Yun Chujiu said pitifully.

The six Hurricane Flaming Tigers felt that Yun Chujiu would not escape from them at that point. They were like a cat playing with a mouse, ready to listen to what Yun Chujiu had to say.

"My Lords Tigers, you are different from other demon beasts. You have noble blood flowing through your bodies!" Yun Chujiu paused at that point. The six Hurricane Tigers waited for Yun Chujiu to continue. Who did not like to hear good things said about themselves? Demon Beasts were no exception. Moreover, the word 'noble' really made the beasts feel empowered!

Yun Chujiu saw that the group of stupid tigers had taken the bait. She was delighted and continued, "In the secular world, what is a Tiger? It is the king of all beasts! What kind of animal would not be obedient to a tiger?!"

The six Blazing Hurricane Tiger nodded their heads. What the little girl said made sense. They had the word "King" on their foreheads!

Yun Chujiu continued, "Also, the Divine Beast White Tiger is even more amazing. Who would dare to compete with one of the Four Great Divine Beasts?! Who knows, the few of you might have the bloodline of the Divine Beast White Tiger! When the time is ripe, the hidden bloodline will be activated. Are you still worried about not being able to cultivate the Great Dao?!"

As they heard Yun Chujiu's words, the six Blazing Hurricane Tiger felt that they were about to float from all the praise. Oh my god, the Divine Beast White Tiger, if they had the bloodline of the Divine Beast White Tiger, they would be the kings among the demon beasts of the Tianyuan Continent...

When they were daydreaming of what they could become, they were struck by a wave of pain in their divine senses. The person that controlled them gave the order to attack and the six Hurricane Flaming Tigers opened their big bloody mouths and were about to maul Yun Chujiu. She quickly waved her hands and said, "Wait! My Lords, I still have a few more words to say. It's not too late to eat me after you let me finish.."
