

The Yun Family's Ninth Child is an Imp! Chapter 1109

The first person Yun Chujiu suspected was Instructor Wu. Regardless of whether it was his motive or identity, he was the most suspicious candidate. However, she was afraid that she would not be able to catch him in the act.

Instructor Wu, who was in the stands, suddenly lost control of the Blazing Hurricane Tigers. Moreover, his spiritual sense had suffered quite a bit of damage. To prevent himself from giving himself away, he gritted his teeth and did not make a sound even though his forehead was filled with beads of sweat.

What was going on?

How could his spiritual sense be cut off by someone? Who did it?

The first person Instructor Wu suspected was Instructor Qian, who anxiously looked down at the field. It must have been Instructor Qian. He had always disliked him, and his beast master level was higher than his, he must have used some secret method to cut off his spiritual sense. Damn it!

Instructor Qian, who was horrified and ready to take the blame for what had happened, looked down with a dumbfounded expression. He originally thought that Yun Chujiu was doomed. After all, how could she survive being besieged by six level 21 Blazing Hurricane Tigers?

However, why did those Blazing Hurricane Tigers only surround her and not attack?

Also, why did those Blazing Hurricane Tigers and Barbaric Bears instead turn to attack Instructor Bai and Wu Heng?

These Demon Beasts hated the person who had controlled them to death. Since they could not eat the person who controlled them, it was not a bad idea to eat those two accomplices instead. Therefore, they attacked Instructor Bai and Wu Heng without hesitation.

Instructor Bai had already woken up. Although his spiritual power was higher than the Blazing Hurricane Tigers, he could not deal with all six of them alone. Moreover, there were an additional eight Barbaric Bears to contend with!

Yun Chujiu lay on the ground and looked as if she had fainted from fright. In fact, her eyes were wide open, and she watched the show with a smile.

Instructor Bai and Wu Heng did not have the time to look at Yun Chujiu. The two of them were exhausted as they fought for their lives, and their bodies were soon covered in blood.

Instructor Wu shouted anxiously in the stands, "Why haven't the people who went to destroy the formation plate reported back? What are they doing?!"

Instructor Qian could not help but sneer in his heart. I did not see you being anxious before, but now that your nephew is in danger, you finally show your true colors. This time, it must be the uncle and nephew's doing, however, he did not expect that he would be shot in the foot. That little girl Yun Chujiu is amazing!

When Instructor Bai and Wu Heng were at death's door, the formation was finally opened. Instructor Wu was the first to jump down. Before he could make a move, the Blazing Hurricane Tiger and the Barbaric bears nimbly ran back into their cages, as if the violent outburst just now was an illusion.

Instructor Wu had no time to care about those Demon Beasts. He hurriedly took out some healing pills then fed them to Wu Heng and Instructor Bai. Although the two of them were able to keep their lives, they would not be able to get out of bed for at least a month, especially since their spiritual senses had been damaged. It would take at least half a year for their spiritual sense to recover.

Dean Huangfu and a few vice-deans had rushed over after such a big incident.

Yun Chujiu also slowly woke up at this time. She slapped her thigh and howled, "Dean, sir, you have to decide for me! Those Demon Beasts were controlled by someone. The order they received was to kill me. The person who controlled them is really heartless. They were deprived of eight lifetimes of virtue and would die a horrible death!"

"Instructor Qian, immediately establish contact with those Demon Beasts and ask who was it that controlled them?" Dean Huangfu's face was as dark as water.

Everyone came to the front of the two cages. After Instructor Qian asked, he said, "The Barbaric Bears said that the person who controlled them was Instructor Bai but the Blazing Hurricane Tigers don't know who the person who controlled them was.."
