

The Yun Family's Ninth Child is an Imp! Chapter 1111

Deputy Dean Yin knew that Dean Huangfu was blackmailing him. If he continued to insist, Dean Huangfu would investigate the matter thoroughly. He gritted his teeth and said, "If that's the case, let's do as Dean says!"

Seeing that the matter was settled, everyone prepared to disperse. Unexpectedly, Yun Chujiu jumped in front of Instructor Wu and said, "Instructor Wu, this competition was proposed by Wu Heng. According to the agreement, if he loses, he must kneel and admit his mistake and compensate me with two million high-grade Spirit Stones. Now that he has undoubtedly lost, shouldn't you wake him up and fulfill his promise? Otherwise, he will be struck by lightning!"

Although Instructor Wu wished he could strangle Yun Chujiu to death, under the watchful eyes of everyone, he could only endure it. "Yun Chujiu, you have seen it too. Heng 'Er is now seriously injured. How can he kneel and admit his mistake?"

"Looking at your words, it's as if I forced him to kneel! In any case, the inner demon oath was made by him himself. I reckon that Tian Dao doesn't care whether he is seriously injured or not. If we don't hurry up, the heavenly lightning will come soon!" Yun Chujiu hugged her shoulders and shook her legs, looking very smug.

"You!" Instructor Wu felt that his severely injured spiritual sense was in even more pain, so he could only wake Wu Heng up and let him fulfill the conditions of the bet.

After he listened to Instructor Wu's words, Wu Heng almost fainted again.

'Are you my biological uncle? I'm already like this, and you still want me to kneel and admit my mistake to Yun Chujiu?'

"Wu Heng, are you trying to renege on your debt?! Hurry up, don't dawdle! I haven't even eaten my breakfast yet, and I'm in a hurry to have lunch." Yun Chujiu pouted and said.

Wu Heng was heavily injured, so how could he kneel? In the end, Instructor Wu and another instructor carried Wu Heng and knelt to Yun Chujiu, saying that he was wrong.

“Aiya, really, you really are a stubborn person. I just said that, and you really knelt? Tsk Tsk, this injury is already so severe, yet you still knelt to me. If your injury worsens and you die, don’t blame me!”

Wu Heng choked and fainted from anger!

“Fainted again? Instructor Wu, Wu Heng hasn’t given me two million high-grade Spirit Stones yet! You as his uncle will pay for the debt instead, you can transfer the Spirit Stones to me!”

Instructor Wu had no intention to tangle with Yun Chujiu now. He angrily transferred two million high-grade Spirit Stones to Yun Chujiu, and then had someone carry Wu Heng away.

Seeing that Instructor Wu’s uncle and nephew had left, Yun Chujiu jumped to Instructor Qian’s side. “Instructor Qian, Congratulations. In the future, I can be at ease and enter the Spirit Beast Park. Otherwise, I’ll always be on the edge of my seat.”

Instructor Qian nodded slightly. “You’re very talented in beast taming. If you cultivate well in the future, you’ll definitely be able to achieve outstanding results.”

“Instructor Qian, you have good taste. I’m not bragging, but I like these demon beasts the most. They all like me too. As long as I wave my hand, they are willing to establish a spiritual connection with me...”

The corner of Instructor Qian’s eyes twitched violently. ‘Can I take back what I said just now? Can such a shameless girl have any future?’

Yun Chujiu bragged for a while before she hopped away under the escort of the Huang class and the others.

Instructor Qian shook his head. He remembered that Instructor Bai had said that he had used the bewitching beast powder on those Demon Beasts, so he decided to check their spiritual sense to see if there was any way to salvage the situation. Instructor Qian randomly chose a Blazing Hurricane Tiger to inspect, however, he was surprised to find that the Blazing Hurricane Tiger's spiritual sense was not damaged at all.. He then checked on the other Demon Beasts in disbelief, but there was no damage to any of them at all. What was going on?
