

The Yun Family's Ninth Child is an Imp! Chapter 1112

Instructor Qian suddenly remembered something that had been overlooked by everyone. Could it be that Instructor Bai's spiritual sense had really been damaged due to Qi deviation?

Moreover, according to Dean Huangfu, Instructor Wu was the one who had controlled the six Blazing Hurricane Tigers. Then, how had his spiritual sense been injured?

The spiritual sense of these Demon Beasts had not been damaged. That could only mean one thing, and that was that Instructor Wu's spiritual sense had been forcefully cut off!

Previously, Wu Heng had blurted out that his spiritual sense had been cut off by someone, but later he had denied it. Could it be that the spiritual sense of these three people had not behaved erratically but had been cut off by someone?

How, how could that be possible?

During the process of controlling them, there were only two ways to forcefully cut off the spiritual sense of the person controlling them. One was to establish a spiritual connection with the Demon Beasts and forcibly erase the spiritual sense imprint of the person controlling them from the spiritual sense of the Demon Beasts, and the other was to kill the person controlling them!

Wu Heng and the other two were still alive, so there was only one possibility. However, there was only one person who had the opportunity to establish a spiritual connection with the Demon Beasts, and that was Yun Chujiu...

Instructor Qian thought about it for a long time, and an answer was on the tip of his tongue. Yun Chujiu had forcefully erased the imprint that Wu Heng and the other two had left in the spiritual senses of the Demon Beasts. Because the process of controlling the Demon Beast was forcefully stopped, the spiritual sense of the Demon Beasts was not damaged.

Because Yun Chujiu had established a spiritual connection with the Demon Beasts, they did not attack Yun Chujiu. Instead, they attacked Instructor Bai and Wu Heng. However, how could Yun Chujiu's spiritual sense be so powerful? Instructor Wu was at the second layer of the spiritual venerable realm!

To verify his thoughts, Instructor Qian established a spiritual connection with one of the Blazing Hurricane Tigers and asked, "Was the spiritual sense mark of the controlling person forcefully erased by Yun Chujiu?"

The Blazing Hurricane Tiger was happy that its spiritual imprint was not damaged. It said honestly, "Yes, it was done by that little girl. She even said that we might have the bloodline of the White Tiger..."

The Demon Beasts acted based on their instincts. They felt that Instructor Qian had no ill intentions towards them and was eager to show that they might be the descendants of the Divine Beasts. Therefore, the Blazing Hurricane Tiger told Instructor Qian everything.

Instructor Qian's face was stiff after listening to the Hurricane Flaming Tiger's words. He was initially puzzled at how she successfully established spiritual connections with so many Demon Beasts when her power level was so low. It turned out that it was all a bluff! What a freak!

However, how could a little girl at the first level of the spirit sect have such a strong spiritual sense?

Instructor Qian shook his head. It was not a bad thing to have a strong spiritual sense. That little girl might be able to master powerful beast taming techniques in the future because she had one more advantage than them, which was that she had a silver tongue! She had fooled more than ten Demon Beasts!

After the incident, Deputy Dean Yin regarded Yun Chujiu even more as a thorn in his side. However, he had not found an opportunity to get his revenge, so he could only temporarily hold back his troops.

In the blink of an eye, more than a month had passed. One afternoon, Yun Chujiu had just finished class and was about to go to the cafeteria to eat when she found that there was an unusual atmosphere in the Tianyuan Academy.

F*ck, there are so many pink-faced and shy people, what was going on?

Almost everyone on the road headed towards Tianyuan Square. The female students in particular were all dressed up beautifully.. Their faces were flushed with excitement as they jogged forward.
