

## The Yun Family's Ninth Child is an Imp! Chapter 1115

Dean Huangfu smiled and placed his hand on the ball. A line of words appeared on the screen: First Grade Huang class, Yun Chujiu.

Yun Chujiu had already expected this, but in order not to arouse the suspicion of others, she pretended to be excited with a silly smile.

Since the first two people, even though everyone was still filled with envy and jealousy, there was no suspicion of a predetermined result.

Yun Chujiu in her heart felt relieved, the Pretty Boy and black chicken head also looked exhausted as they put up a show. She knew they wanted to see her badly but could they not wait for her to enjoy a few days rest first? Did you have to go to all this trouble?

The Three Beauties were so depressed they wanted to hit the wall. They originally thought that it was a great opportunity, but did not think that not even one of them would be selected! However, His Excellency had finally made an appearance. When the time came, they would think of a way to get close to him.

Yin Xinlian looked at Yun Chujiu, who smiled foolishly, and felt that something was amiss. However, after she thought about it, she could not find anything wrong with the situation. Even if His Excellency did treat this Yun Chujiu differently, Young Master Wuji did not know this damned girl, so how could he play any part? Furthermore, there was still Dean Huangfu! She must be overthinking things!

Dean Huangfu accompanied Di Beiming and Young Master Wuji, bringing along the three lucky ones who were chosen to head directly to the guest house of the Tianyuan Academy.

Many female students followed behind reluctantly, feeling that it would be good if they could take a few more glances at her.

Yin Sulian bit her lips as she stared hatefully at Yun Chujiu's back. That wretched lass's luck was too good, to actually be chosen. How good would it be if she was the chosen one instead? Then she would be able to develop a good relationship with Young Master Wuji! No, she could not give up the opportunity just like that!

Yin Sulian took a few steps forward. With a shy face, she said to Xue Wuji, "Brother Wuji, I have a gift for you. Can we talk in private?"

Xue Wuji had thought about how to please Yun Chujiu. He had originally had a good idea, but he did not expect to be interrupted by Yin Sulian's words which made him forget. He was instantly enraged!

"Who are you? Get lost!" Xue Wuji said coldly. Fortunately, it was not appropriate for the Tianyuan Academy to publicly beat people up. Otherwise, he would send Yin Sulian flying with a kick!

Yin Sulian could not believe her ears. Young Master Wuji was different from His Excellency. Although he was also high and mighty, he would not usually speak ill of a woman. Furthermore, the Yin family was considered to be reputable, she did not expect him to be so shameless.

Yin Sulian was stunned for a moment. Then, she covered her face and ran away as she cried.

Xue Wuji acted as if nothing had happened. He continued to try to recall the idea he had just now. He could not remember no matter what he did. He secretly grew angry his heart, therefore, he asked Lin Han stood beside him, "What was the name of the shameless person I was talking to just now?"

Lin Han's face was full of confusion, but he did not dare not answer. Thus, he said, "That was the second miss of the Yin family, Yin Sulian."

"The Yin Family? No wonder! The elder sister shamelessly clung to Di Beiming, and that younger sister shamelessly called him elder brother. The upbringing of the Yin family is an eye-opener!" Xue Wuji thought of Little Jiu in his heart, his words not only made Little Sister Jiu hate Di Beiming for messing around with other girls, but it also showed that he was completely devoted to her. It was too perfect.

Yin Xinlian was not far behind them. When Yin Sulian was reprimanded by Xue Wuji earlier, she felt ashamed. She did not expect Xue Wuji to say something even worse.. It was worse than killing her!
