

## The Yun Family's Ninth Child is an Imp! Chapter 1116

Yin Xinlian's face immediately turned red. She wanted to defend herself, but no matter how eloquent she was, she did not dare to argue with Xue Wuji, who was famous for his devilish charm. If she provoked him, he would do anything to get back at her. He might even send someone to cause trouble for the Yin family.

Deputy Dean Yin could no longer hold back. Yin Xinlian and Yin Sulian were both members of the Yin family. For Xue Wuji to say that the Yin family's upbringing was terrible, he would be affected too if he did not say something.

"Young Master Wuji, it is human nature for a young man to be in love with a young woman. Xinlian and Sulian, these two girls, have nothing to do with His Excellency and young master. Aren't your words a little too extreme?"

Xue Wuji glanced at him. "Deputy Dean Yin, I remember that the Tianyuan Academy has a rule. Since you are serving in the Tianyuan Academy, you must sever your relationship with the family. Otherwise, you will be fired. Don't tell me you want to leave the Tianyuan Academy to revitalize the Yin Family?"

Deputy Dean Yin's old face alternated between green and red. He was so angry that he almost fainted!

Xue Wuji's words were too sarcastic! What did he mean by reviving the Yin family? He said it as if the Yin family had already fallen. Moreover, when he said that, it made everyone look at him as if he had been using his power for personal gain.

However, Dean Huangfu felt that Xue Wuji was amazing! He was indeed worthy of being an outstanding student who had graduated from their Tianyuan Academy. His words were too powerful!

Yun Chujiu, who stood at the side, also felt that that black chicken head had performed well today. His lethality was shocking. He had defeated the three members of the Yin family so nonchalantly!

Although Deputy Dean Yin wished that he could strangle Xue Wuji to death, he had the strength of the Demon Blood Sect behind him. He did not dare to go against them so he could only cover his chest and say, "Your Excellency, Young Master Wuji, my chest feels a little stuffy. I will take my leave first."

After saying that, as Deputy Dean Yin was about to leave, Xue Wuji curled his lips and said, "Deputy Dean Yin, you're the Deputy Dean. Shouldn't you inform Dean Huangfu before you take your leave? Are you looking down on Dean Huangfu too much? Or do you intend to replace him?"

Deputy Dean Yin's old face flushed red as he said, "This is indeed my negligence. Dean, I'll take my leave first."

Dean Huangfu nodded. "Since Deputy Dean Yin is not feeling well, then you should rest for the next few days."

Deputy Dean Yin forced himself to turn around and leave. The veins on his hands were clearly exposed under his sleeves. He was extremely angry! Could it be that the Yin family had offended Xue Wuji in some way recently? Otherwise, why would he target the Yin family so viciously today? It was truly outrageous!

How would he know that all of this was just because Yin Sulian interrupted Xue Wuji's train of thought? He was just so willful.

Di Beiming and his group continued to walk towards the guest house. Yun Chujiu originally thought that after Xue Wuji's mischief, the female students behind them would scatter like birds and beasts. However, what she never expected was that, when the female students saw Xue Wuji's venomous tongue, they became even more infatuated!

"Young Master Wuji is too handsome! I like his devilish temperament!"

"Yeah, Young Master Wuji is so charming no matter what he does. He's handsome beyond the new horizon!"

“Young Master Wuji’s appearance just now almost made me faint.”

...

The corner of Yun Chujiu’s eyes twitched violently. It seemed that each cabbage and radish had their own preferences. There were actually so many people who liked such that crazy black chicken head!

Yun Chujiu glanced at him from the corner of her eyes. Aiyo, that Yin Xinlian’s constitution was really off the charts.. Even though the girl and fourth grandfather had been angered away, she still shamelessly followed them! Could it be that she still wanted to have a few words with her Pretty Boy?!
