

The Yun Family's Ninth Child is an Imp! Chapter 1117

Just as Yun Chujiu thought of that, The Three Beauties began to make their move!

Qin Mingzhu took a few steps towards Di Beiming and said, "Your Holiness, I heard that when you were studying at the Tianyuan Academy, you liked to read books in the library by yourself. Why don't I accompany you to the library when you have time?"

Di Beiming did not even look at her and said coldly, "Since you know that I like someone, why are you still following me?!"

Qin Mingzhu did not say another word. Her face flushed red and she retreated.

Yin Xinlian gritted her teeth and took a few steps forward. Before she could say anything, Di Beiming said, "I have said that the smell on your body is really bad. Don't come close to me."

Yin Xinlian almost cried. Di Beiming had said that the fragrance on her body was choking, so this time, she did not use any fragrance at all. She did not expect to be so despised by Di Beiming. She was even more embarrassed than Qin Mingzhu.

When Qin Mingzhu saw that Yin Xinlian was so embarrassed, she felt much better. It seemed that His Excellency still showed mercy to her. It was obvious that he was even more disgusted with Yin Xinlian.

No matter how Deep Yin Xinlian's thoughts were, she could not bear being so embarrassed in front of so many people. She covered her face and ran away as she cried.

The three members of the Yin family were all so angry that they left dejectedly.

Baili Yan saw that Qin Mingzhu and Yin Xinlian had returned in defeat. She thought about it and did not go forward. Apparently, His Excellency did not seem to be in a good mood today so she should not tempt his wrath.

Although Di Beiming and Xue Wuji's skills at rejection were unparalleled, many still students followed them. They felt that even though they could not speak to the exalted young master Wuji, it was still good for them to be able to take a few glances from afar.

After being escorted all the way, they finally arrived at the guest house.

By then only Dean Huangfu and the three student representatives accompanied Xue Wuji and Di Beiming inside.

Once the isolation array was activated, the fangirls could only sigh in admiration. Their hearts were filled with envy and jealousy towards the three student representatives. However, they still chose to stay for a while before leaving in embarrassment.

The guest house was decorated very elegantly. It had a two-hall courtyard, a study room, two bedrooms, and a living room.

The few of them came to the living room and sat down. Nangong Luoyue and Lin Han were so nervous that they did not know where to put their hands and feet. Xue Wuji smiled and said, "Junior Lin, Junior Nangong, Junior Yun, there's no need to be so formal."

Lin Han and Nangong Luoyue were overwhelmed by his casual attitude. They could still clearly picture Xue Wuji's fierce look when he attacked Yin Sulian and Deputy Dean Yin. They did not expect him to be so amiable now. It was too surprising.

The two of them stole a glance at Di Beiming. Although he did not speak, his expression did not look as cold as before.

Lin Han and Nangong Luoyue felt that their luck was simply out of this world. They actually received such preferential treatment! They sat there excitedly.

Yun Chujiu found it funny in her heart. She did not know if these two unlucky fellows were really randomly chosen but they seemed to be quite earnest in their enthusiasm.

The few of them casually chatted for a while, they mostly answered questions from Xue Wuji. Lin Han and Nangong Luoyue were flattered while Yun Chujiu, on the other hand, munched on the pastries that had already been placed on the table.

When Lin Han and Nangong Luoyue saw Yun Chujiu's behavior, they thought to themselves that Yun Chujiu was just as the rumors said. She was greedy, but she did not have any shrewdness in her. If an ordinary female student was chosen, then wouldn't she try her best to curry favor with His Excellency and Young Master Wuji?!

If Yun Chujiu knew what the two of them thought of, she would probably burst into laughter. Although the Pretty Boy and the black chicken had good looks, after seeing them so many times, they would not be as attractive as the pastries on the table!
