

The Yun Family's Ninth Child is an Imp! Chapter 1118

When Di Beiming heard Xue Wuji's duck-like laughter, he frowned slightly. With a wave of his hand, Nangong Luoyue and Lin Han immediately fainted on the chair.

"Di Beiming, can't you be more civilized? Why did you make them faint just like that?" Xue Wuji said with a look of disdain.

"Noisy!" Di Beiming spat out two words coldly.

Xue Wuji finally found a chance to have a good chat with Yun Chujiu, he walked up to her and said, "Do you think I'm willing to babble non-stop? No matter what, you have to act like it! You're well-developed and simple-minded. Little Sister Jiu, don't you think I'm right? If your brother kept talking to you the moment you stepped in, how will you survive in the Tianyuan Academy if this gets out?"

Dean Huangfu was so shocked when he saw Xue Wuji suddenly become so obsequious. His heart almost stopped beating. 'Oh god, could it be that there was something wrong with his eyes, was this obsequious thing really young master Wu Ji? And who the hell was Little Sister Jiu? Could it be that Yun Chujiu's parents were old friends with Xue Mo and his wife?'

"Brother Wuji is very thoughtful. I just don't know why you and the Prince Charming went through so much trouble to drag the Dean into this. What exactly do you want to do? If you want to see me, can't you just wait until Xunxiu?" Yun Chujiu asked in confusion.

Dean Huangfu felt that his brain no longer functioned. 'Wuji? This little girl dared to call Xue Wuji Black chicken head? And who the hell was Prince Charming? Could it be that he was called His Excellency?'

Today, the two great gods suddenly approached him and made him put on such a show. The Lin Han and Nangong Luoyue that he chose were people with no background and honest personalities. Firstly, it was not good for him to reject the two great gods, secondly, he was also curious about what they were going to do and what kind of relationship Yun Chujiu had with them.

Xue Wuji said fawningly, "Little Sister Jiu, have you forgotten? Tomorrow is your eighteenth birthday. You can't leave the Tianyuan Academy, so we took the trouble to come in to look for you! If we came to visit you directly, I'm afraid we would bring you trouble. This way, it won't be so conspicuous, and we can celebrate your birthday with you tomorrow." He would never admit it but he just wanted to enter the Tianyuan Academy and show off, so that Yun Chujiu could see his explosive popularity. Moreover, it would be open and aboveboard. Much better than sneaking around!

Yun Chujiu was stunned. She had already forgotten about her birthday. Time passed so quickly to her that in the blink of an eye, it was already going to be her 18th birthday.

Di Beiming glared at Xue Wuji. Originally, he was prepared to think of a way to sneak into the Tianyuan Academy. He did not expect Xue Wuji to come in and stir things up. In the end, it turned out to be such a large-scale event.

"Then thank you, Prince Charming and brother Wuji. Hehe, have you prepared your birthday gifts?" Yun Chujiu was very touched. She did not expect the two of them to go through so much trouble just to celebrate her birthday.

"Little Sister Jiu, don't worry. I've prepared something good for you!" Xue Wuji said with a fawning expression.

Di Beiming did not say anything and only nodded slightly.

Dean Huangfu sat on the chair with a stiff expression. He felt that this was the first time in his life that he had something affect him so badly. 'Damn, it turned out that these two great gods had spent so much effort just to spend a birthday with this little girl? How capricious!

'Not only was this little girl not overwhelmed by the favor, she even brazenly asked for a gift? There was probably no other person besides her who dared to be so arrogant as to ask for a gift from His Excellency and Young Master Wuji!'
