

## The Yun Family's Ninth Child is an Imp! Chapter 1119

What surprised Dean Huangfu even more was that His Excellency and Young Master Wuji looked as if they were used to it. How?! How was this possible?!

The most unbelievable thing was that both His Excellency and Young Master Wuji's eyes were filled with pure adoration. Could it be that both of them liked this little girl?! How, how could this be possible?!

Although the little girl was good-looking, she was only on par with the three pearls, yet the esteemed Lord and young master would not be mesmerized by those three. Furthermore, this little girl was only at the first level of the spirit sect, and she had ascended from the Azure Mystic Continent, how could such an outstanding duo like her?

Well, the little girl was actually quite a freak. She had not even been hurt once despite being struck by heavenly lightning for ten hours, and she was surprisingly bold. Perhaps the esteemed Lord and Young Master Wuji liked her brazen personality?

Dean Huangfu looked at the interaction of the three with a dumbfounded expression. The two people who were usually arrogant had a completely different look. The demonic charm had turned into flattery, and the aloof personality had turned into a warm man. That little girl was too strange!

"Lord Dean, thank you for making things easy for the Prince Charming and brother Wuji. You should come to my birthday party tomorrow night!" Yun Chujiu said with a smile.

Dean Huangfu was stunned. He did not expect Yun Chujiu to invite him like this. He saw that Yun Chujiu's expression was very sincere, and he was curious about the relationship between this little girl and the two great gods. After he thought for a while, he agreed.

Di Beiming and Xue Wuji felt that it was not bad to let Dean Huangfu participate. That way, it would be easier to silence others. Moreover, Yun Chujiu's future life in the academy would be bright if she built a good relationship with Dean Huangfu.

As for Lin Han and Nangong Luoyue, these two background characters naturally had to be brought along. When the time came, they could just say a few words and knock her out.

Dean Huangfu was very tactful, "You guys catch up, I'll go rest in the study room for a while."

After Di Beiming and the other two stood up to send him off, they returned to the living room.

Xue Wuji had a stomach full of words that he wanted to say to Yun Chujiu. Instantly, he kept on babbling non-stop.

Yun Chujiu had not seen Xue Wuji for a long time. She bragged about what had happened after she arrived in the Tianyuan Continent, especially how she had ordered the Huang class students to beat up Ma Sheng and the others, how she had pulled out the tail feathers of the Vermillion-beaked Long-feather Cranes, and how he had tricked more than ten Demon Beasts into being controlled by her.

"Hahaha, from then on, those naked cranes were like little chicks in front of me. They were extremely obedient." Yun Chujiu said while dancing with joy.

"Little Sister Jiu, you are really amazing. I knew that you would end up the most dazzling existence no matter where you are."

"Aiya, it's just so-so. I don't know which blind person assigned me to the Huang Class. So what if it's the Huang Class? I will still be able to do well. Hmph!" Yun Chujiu said smugly.

"That's right. Gold will shine sooner or later. Little Sister Jiu might surpass Di Beiming's expressionless face and become number one on the Roll of Prodigies in the future."

Just as Yun Chujiu was about to say a few more words smugly, Di Beiming said coldly, "Little Jiu, you're practically the weakest one now. Don't feel smug just because you've gained the upper hand with a little

bit of cleverness. If your strength doesn't go up, you'll suffer a big loss sooner or later. It's better to cultivate properly."

Without waiting for Yun Chujiu to speak, Xue Wuji was displeased.. "Di Beiming, are you still a man when you say that?! You keep saying that you like Little Sister Jiu. Isn't it natural for a man to protect a woman?! So what if Little Sister Jiu is weak? Isn't that what you and the Hall of Longevity are for? Won't you always protect Little Sister Jiu?"
