

## The Yun Family's Ninth Child is an Imp! Chapter 1120

Di Beiming frowned. "Xue Wuji, Little Jiu is my woman. I will do my best to protect her, but the safest way is for her to increase her spiritual power. That way, even if I am careless, she will be able to protect herself. To stay together for a long time, she has to increase her spiritual power."

"Hmph! It's just an excuse! Little Sister Jiu, you can be as happy as you like. You don't have to care about this facial paralysis. If he doesn't protect you, I will."

Yun Chujiu giggled. "Brother Wuji, what Prince Charming said makes sense. I'd better improve my spiritual power as soon as possible. I'll work hard to cultivate and try to catch up with you guys as soon as possible."

Xue Wuji sighed, "Little Sister Jiu, you're always so strong that it makes your brother's heart ache. Don't worry, no matter what happens, brother will help you."

Di Beiming felt that his teeth were getting a little sore from all the gritting. After not seeing Xue Wuji for a few months, this Xue Wuji was becoming more and more shameless.

Although Yun Chujiu also felt that these words had the flavor of an Idol drama, she was very touched in her heart. She knew that Xue Wuji spoke the truth, but unfortunately, she only treated him as a brother. In the future, if there was a chance, she would help him find a good sister-in-law candidate.

The three of them chatted for a while more. Yun Chujiu felt that it was a little too much to leave Dean Huangfu hanging for such a long time, thus, she said, "Prince Charming, brother Wuji, let's have a good chat when I'm resting. It's better to invite Dean Huangfu back. It's already been almost two hours. Leaving the old man hanging in the study room is a little unreasonable."

After Dean Huangfu was invited back, Di Beiming also woke up Lin Han and Nangong Luoyue who had fainted. The two of them were slightly stunned, Yun Chujiu giggled, "Senior Lin, Senior Nangong, the two of you were probably too excited just now and fainted. Don't worry, I won't tell anyone about this."

Lin Han and Nangong Luoyue blushed, "Thank you, Junior Yun."

Dean Huangfu secretly cursed in his heart. This little girl was full of shrewd ideas. Not only did she shut their mouths, but she also made it look like she did them a favor. This little girl was cunning.

Everyone chatted for a while more. Xue Wuji rolled his eyes and said, "Junior brothers and sisters, why don't you accompany us for a stroll around the Academy? We haven't been back for so many years. I really miss this place."

Lin Han and Nangong Luoyue were naturally overwhelmed by the favor and quickly agreed.

"This old man still has some matters to attend to, so I won't be able to accompany the two of you." Dean Huangfu reminded Lin Han and the other two to properly entertain Di Beiming and Xue Wuji before leaving the guest house.

After a while, Di Beiming and the other three also left the guest house. Very quickly, a group of fangirls gathered behind them once again.

Di Beiming had the appearance of one not bothered with strangers, while Xue Wuji smiled like a spring breeze. He chatted and laughed with Lin Han and Nangong Luoyue beside him, but he was completely indifferent towards Yun Chujiu.

Yun Chujiu did not feel awkward at all. She lazily followed behind the four of them with a spirit fruit in her hand as if she had nothing to do with it.

The fangirls were disappointed. Did that Yun Chujiu have any ambition at all?! Why don't you just charge forward? Are you going to waste such a great opportunity?! Have you never eaten a spirit fruit in your life?!

The fangirls wished they could drag Yun Chujin over and beat her up. You're wasting such a great opportunity! You don't even know how to seize such a great opportunity.. You're really stupid!
