

The Yun Family's Ninth Child is an Imp! Chapter 1123

Yun Chujiu looked at her dog-like handwriting. She regretted she had not listened to Di Beiming and practiced her handwriting. 'Wasn't this too embarrassing?!

"Ahem! Senior, my dog-like handwriting is unsightly. Why don't you find someone else to copy the books?" Yun Chujiu copied half a page, blinked her eyes, and handed the copied book to the old man.

The old man looked at the half-page book that Yun Chujiu copied and his eyes twitched. "Continue copying. When you finish copying, your handwriting will naturally improve. You are not allowed to eat or sleep until you finish!"

Yun Chujiu had no choice but to return to the desk and continue copying the book miserably. The regret in her heart was like a torrential river. She told you to be greedy, and she told you to be greedy. Why did you have to eat spiritual fruits when you had nothing to do?!

Yun Chujiu blamed Di Beiming again. It was all the Pretty Boy's fault. Why did he have to come here for no reason?!

There was also the Black Chicken's head. If he had not insisted on coming to the library, the Pretty Boy would not have said that he wanted to come in. It was all because of these two idiots.

She was in real trouble now! She did not know what identity this old man had and what he wanted to do?! Could it be that he wanted to torture her?! How could she have the time to cultivate when she was copying books every day?! Not to mention eating, drinking, and having fun!

Yun Chujiu copied the books until the sun set. The old man said, "Alright, let's call it a day. Come back tomorrow after class to continue copying. If you don't show up... Hmph!"

Yun Chujiu wanted to flatter him but found that the old man had disappeared. The old man curled his lips and had no choice but to leave the library through the teleportation formation.

Yun Chujiu left the library and saw the sunset. She finally felt better after the whole afternoon of toil.

Then she remembered that Di Beiming and Xue Wuji were the ones who put her in that situation. She could not be bothered to visit them, so she went back to her dormitory.

She opened the isolation array and let Little Black Bird and the others out. After dinner, they sat on the recliner and pondered.

The books that the old man asked her to copy were all written in ancient characters. She did not know any of them. What exactly were they about? It would be great if she could read ancient characters. Unfortunately, there were too few people who still could.

In addition, the Pretty Boy was right. She had to focus on her cultivation. With her current spiritual power level, she might be eliminated in the mid-year competition three months later, not to mention being part of the Roll of Prodigies.

Just as Yun Chujiu let her thoughts run wild, she heard a flurry of footsteps coming from outside the courtyard. It was obvious that many people were walking towards her.

Yun Chujiu frowned. Could it be black chicken head and the others?!

“Junior Yun! Junior Yun! Young Master Wuji and His Excellency want to visit your courtyard. Why aren’t you coming out to welcome them?”

Everyone shouted outside the courtyard.

Yun Chujiu really wanted to say “SCRAM!”. She was in a bad mood, but now was not the time to be stubborn. She could only disable the isolation array and look at the people outside the courtyard with a smile.

The two people who stood at the front were naturally Di Beiming and Xue Wuji. Behind the two of them were Lin Han and Nangong Luoyue. Behind them were the Three Beauties, and behind them were the fangirls.

Xue Wuji pursed his lips. “Junior Yun, I’ve never been to the Huang class’s dormitory before. I wonder if it’s convenient for me to take a look around?”

Although Yun Chujiu wanted to kill Xue Wuji with a slap, she smiled and said, “Welcome. Everyone, please come in.”

Xue Wuji swaggered into the courtyard, but Di Beiming frowned. “Other than Lin Han and Nangong Luoyue, the rest you don’t have to come in.. Shut up and stay there!”
