

The Yun Family's Ninth Child is an Imp! Chapter 1132

Just as everyone was cursing in their hearts, they heard Yun Chujiu Scream. The palace master's wife was so scared that she trembled. Everyone was also so scared that they wondered if this Yun Chujiu had gone crazy! "Ah! Auntie! Is It really you? ! I thought that little B * Tch Yin Sulian was lying to me ! She said, she said, there's an old man looking for me. Oh My God ! This is blatant slander ! You look just like my biological sister, why are you getting old ? ! She has always been at odds with me, so I feel that she must be lying to me, my dear aunt, why would I have any objections towards you? ! I simply love you to death!" The palace Lord's wife's face was filled with bewilderment! Aunt? Biological Sister? Darling? Love Her to death? The palace Lord's wife felt that her brain wasn't enough. What kind of trick was this little trash playing? However, she also felt that ever since Bei Ming gave her that medicinal pill, her appearance had become even more beautiful. Bei Ming even said that the medicinal pill was given to her by the little trash. Bah! ! How was this possible? ? ! It must have been given to him by Bei Ming's master. In order for her to change her impression of the little trash, he lied and said that it was given by the little trash. Did he think that she was so easy to fool? ! "Aunty, why aren't you speaking? Am I so excited that I can't speak when I see Little Jiu? Are these gifts all for me? Aunty, you are really too good to little jiu! No wonder ever since I arrived in the Tian Yuan continent, everyone has said that Aunty, you are the noblest, kindest, and most generous fairy. You are so considerate to an old friend of mine. It is really admirable!" Yun Chujiu said as she shamelessly picked the most valuable thing and put it into her storage ring, damn it, this would all belong to her in the future. She couldn't let this prodigal old hag be so smug! Obviously, the palace mistress had never met such a self-deprecating and shameless person. For a moment, she was stunned and didn't say anything. Yun Chujiu took advantage of this time to collect most of the things on the ground. Only some food and spiritual fruits were left. "Yun Chujiu! Are You Shameless? Did the palace mistress say that she would give it to you? Quickly take out all the things!" Yin Sulian couldn't hold it in any longer, the palace master's wife had said before that these things were to be rewarded to the students that she had taken good care of, and there was also a portion for her. Now, she had asked Yun Chujiu to keep them all, leaving only a pile of food. Yun Chujiu glanced at her. "Scram to the side!" "My aunt hasn't settled the score with you yet! You actually called my beautiful and peerless aunt an old fellow, what do you have in mind? 'previously, you tried to kill me without caring about my aunt's feelings. Now, you're slandering my aunt. Could it be that your Yin family has some evil intentions towards the Temple of Immortals?' '?! 'Oh right, a few days ago, you were so eager to flatter young master Wuji. Could it be that you want to join the blood demon sect to deal with the Temple of Immortals?' '?! Yin Sulian was dumbfounded by Yun Chujiu's scolding! ! She had just gone to deliver a freaking message. How did their Yin family become the most heinous sinner who wanted to go against the temple of Immortals when it came to Yun Chujiu? ! The onlookers were glad that they did not mock Yun Chujiu. Damn it, this guy's mouth was too sharp. He had reversed the truth in such a short time. Not only did he earn a lot of money.., he even brought Yin Sulian into the ditch! "Yun Chujiu, you, you're talking nonsense! When did I say that the palace master's wife is an old man?" Yin Sulian said angrily with a red face. Yun Chujiu pointed at Yin Sulian with one hand on her waist and scolded angrily, "If you have the guts to say it, don't you have the guts to admit it? When you said it back then, there were hundreds of people listening in the canteen! You didn't just say it once, you kept

saying that she is an old woman, Pah! The palace master's wife looks younger than you, but you are the one who is F * cking old! Shameless!"
