

## The Yun Family's Ninth Child is an Imp! Chapter 1136

Yin Sulian felt that this was a good opportunity to make up for her mistakes, hence, she stood up and said, "Palace Mistress, you may not know this, but although Yun Chujiu is useless, her spiritual power materialization technique is actually, um, still passable." Yin Sulian was really unwilling to praise Yun Chujiu, so she could only say that it was passable. However, the palace mistress misunderstood and thought that Yin Sulian was mocking Yun Chujiu, following her words, she said, "You're right. Although Little Nine's materialization is a little weird, she has finally learned the materialization technique. She's not too useless." Yin Sulian saw that the palace mistress misunderstood her meaning and quickly said, "Palace mistress, I didn't mean that. I wanted to say..." "You don't have to say anymore. I know that Little Nine's talent is limited and she doesn't want to improve. It's already not bad for her to be able to train like this." The palace mistress said with a little pride. Little Trash, let's see how you will have the face to ask me for a reward later., materializing a needle was simply too funny. After the palace mistress finished speaking, she saw that everyone had a conflicted look on their faces. She was puzzled. Could it be that little trash had a good relationship with people? Why did everyone have such a conflicted look on their faces? Right at this moment, Yun Chujiu's clear voice was heard. "Explode!" That small purple needle suddenly burst out with a dazzling light. It immediately exploded like fireworks. Everyone cried out in surprise. Although they knew that Yun Chujiu's physical transformation spell attack power was over a thousand, they had never seen the appearance of the small purple needle exploding. Damn, this was too shocking! The palace mistress was so shocked that she almost stood up. This, this, how could such a small needle have such astonishing attack power? From the looks of it, it seemed to be more than 1,000 points. Didn't it already reach the level of an intermediate physical transformation skill? "Aunty, how is it? Isn't it beautiful? When your birthday is over, you don't need to set off fireworks anymore. Just use the little nine thunderbolt needles that I materialized to celebrate for you!" Yun Chujiu hopped into the house and said proudly. The palace mistress didn't say anything for a long time. She glared fiercely at Yin Sulian. Trash! She couldn't even speak clearly! It made her say such embarrassing words just now! Yin Sulian really wanted to bang her head against the wall. It's not that I didn't want to say it, but you didn't give me a chance to say it clearly! Seeing that the palace mistress was silent, Yun Chujiu said with a smile, "Aunty, quickly give me one million high-grade spirit stones! Moreover, I performed so well, don't you want to give me more?" Although the palace mistress wanted to renege on her debt, this little trash was too freakish! After learning the materialization technique for three months, she had already crushed all the low-grade materialization techniques. If she said that she wasn't satisfied, then she was just lying through her teeth. The palace mistress reluctantly transferred one million high-grade spirit stones to Yun Chujiu and snorted coldly, "It's alright, continue to work hard." Yun Chujiu made a small fortune and immediately smiled, "Aunty, don't worry, I'll definitely train hard, I won't embarrass you!" The palace mistress felt that Yun Chujiu's smile was too annoying. She wanted to make her lose face, but now, she got one million spirit stones. It was all because of that Yin Sulian. Since she knew that Yun Chujiu's materialization technique was so abnormal., why didn't she stop her when she first said it? By the time the little trash was done with her performance, she had already jumped out. She still didn't understand what she was saying. What a trash!
