

The Yun Family's Ninth Child is an Imp! Chapter 1138

At this moment, the palace mistress felt that it was a small matter for her to be tricked by Yun Chujiu, this little piece of trash. It seemed that this little rascal still gave her some face. This guy's words were too harsh and shameless! Yin Sulian and Yin Xinlian wanted to interrupt a few times, but Yun Chujiu did not give them the chance to speak at all. She blabbered on and on and accused her harshly, after saying that, she asked the palace mistress with a smile, "Auntie, don't you think I'm right? Do you have good taste? !" The palace mistress gaped and did not know how to answer. Admit that she had good taste. Didn't that mean that she had admitted that she was the one who said those shameless words? Deny it. She felt that what the little trash said made sense. Her taste was indeed top-notch. The palace master's wife hesitated, Yun Chujiu immediately said, "My aunt is too modest. She's too embarrassed to admit that she has good taste. Why are the two of you still standing here? You're embarrassing yourself. Hurry up and get out!" Yin Xinlian and Yin Sulian were so angry that they couldn't say anything. Everyone also had looks of disbelief on their faces. There was no one else who could say such things! Also, this Yun Chujiu was really too daring. Wasn't she afraid that Dean Huangfu and the palace mistress would get angry at her for acting so recklessly? What kind of occasion was this? How could she be allowed to act recklessly? However, the crowd realized that not only did the palace mistress not say a word, even dean Huangfu had a calm expression on his face, as if he hadn't seen anything. Deputy Dean Yin saw the Yin sisters being humiliated like this., he immediately shouted angrily, "Yun Chujiu, you are really audacious! How can you be so rude in front of the Palace Master's wife? You have publicly beaten up a classmate, and your words are insolent. According to the rules of the Academy, you should be expelled!" Yun Chujiu shrugged nonchalantly, "I didn't hit her? I just wanted to feed her a sticky cake. Besides, when did I say insolent words? "Did I say something bad? "Deputy Dean Yin, even though your Yin family is powerful, you can't bully people like that, right? "I have a backer. My aunt is still sitting there, and you're twisting the facts to frame me. You really don't put my aunt in your eyes! "No Wonder Yin Sulian wanted to seduce Young Master Wuji. So it was premeditated!" Deputy Dean Yin flew into a rage out of humiliation, he turned around and bowed to the hall master's wife. "Hall Master's wife, this Yun Chujiu is mischievous and has repeatedly violated the rules of the academy. We did not punish her on account of you. However, she is becoming more and more outrageous now. She is so arrogant in front of you. You can imagine how arrogant and domineering she is usually. Today, I will expel her according to the rules of the academy. Please do not blame me." At this moment, the hall master's wife was still in a daze. Initially, she thought that Yun Chujiu had ascended from the Tian Xuan land. Although she was known as the daughter of an old friend of hers, she would still live in fear and trepidation in the Tian Yuan Academy, she was cowardly, but from the looks of it, not only was she not bullied, she was also living like a fish in water? Furthermore, she had repeatedly violated the Academy's Rules? Hadn't the Tianyuan Academy always been strict with rules? Why was she still jumping around here after repeatedly violating them? And was she still arrogant and despotic? How could a little trash of the first level of the spirit sect be arrogant and despotic? Wait a moment, shopkeeper qi seemed to have mentioned this before, but she didn't pay too much attention to it at that time. She seemed to have said something about seniors and feathers.. Deputy Dean Yin waited for a long time but still didn't see the Palace Mistress Express her opinion. He frowned and coughed dryly. "Palace mistress, what do you

think?" The palace mistress finally came back to her senses and asked indifferently, "You said that little ninth girl has repeatedly violated the Academy's rules. Who can tell me how she has violated the Academy's Rules?"
