

The Yun Family's Ninth Child is an Imp! Chapter 1139

Deputy Dean Yin had never thought that the wife of the hall master would have such a way of thinking. She only managed to say a few words, Yun Chujiu said with disdain, "Alright, I'll speak for myself. With your eloquence, I don't know how you managed to get into the position of Deputy Dean." Deputy Dean Yin was so angry that he almost fainted. He gritted his teeth and stood to the side. Yun Chujiu had already figured it out long ago. After all, none of the Yin family members were good people. They all wanted her dead, so what was there for her to worry about? You guys are courting death! "Aunty, actually, I didn't do anything overboard. Dean Huangfu and the rest are the most fair and honest people. If I really broke the rules of the academy, would they just sit back and do nothing? "It's just that I accidentally offended the lackeys of a certain evil force, so I caused a little disturbance. Here's the thing..." Yun Chujiu recounted her "Heroic deeds". In her story, she was a hero who fought against evil forces. She was full of joy and excitement. At first, the palace master's wife was still indifferent, but as she listened, her mood fluctuated along with Yun Chujiu's story. She felt that Yun Chujiu did a good job. Those shameless people deserved to be taught a lesson.. "Aunt, do you think these shameless people deserve a beating?" Yun Chujiu suddenly asked. The palace master's wife was still immersed in Yun Chujiu's narration, so she subconsciously answered, "They do deserve a beating." After saying that, the palace master's wife knew that she had fallen into Yun Chujiu's trap again, but since she had already said it, she could only admit it. Yun Chujiu immediately started to show off, "Did you hear that?" My aunt said that those people deserved a beating, and the headmaster had never said that he would expel me. Deputy Dean Yin, why are you different from the rest? Could it be that those people are really your lackeys?" The veins on deputy dean Yin's forehead were popping up. If it were not for the fact that he had too many scruples in the academy, he would have slapped Yun Chujiu to death. Even so, he still released his pressure on Yun Chujiu, he wanted to make her suffer a little, but what puzzled him was that Yun Chujiu acted as if nothing had happened and bared her teeth at him. Yun Chujiu thought to herself, I'm not even afraid of the pressure of Heavenly Thunder, why would I be afraid of an old man like you? ! Deputy Dean Yin took a deep breath. "Let's not talk about the past for now. What about the fact that you beat up Yin Xinlian today?" "Didn't I already say that? I didn't beat her up. I just wanted to feed her a sticky cake so that she wouldn't embarrass herself. I was doing it for her own good. How did it turn into beating her up?" "Senior Qin, senior Bai Li, tell me, did I beat up Yin Xinlian?" Yun Chujiu pointed at Qin Mingzhu and Bai Li Yan. These two people were gloating over her misfortune. Yin Xinlian had lost her honor this time. The palace master's wife's impression of her had probably plummeted. If she still wanted to snatch her honor, she could dream on! When they suddenly heard Yun Chujiu ask them, the two of them almost blurted out at the same time, "No." Hearing the two of them say this, deputy Dean Yin's expression became even more unsightly. However, he couldn't do anything to Qin Mingzhu and Baili Yan. Although the Yin family was powerful, the Gui Yuan sect and medicine King Valley weren't given to them for free. Therefore, the two of them didn't put Deputy Dean Yin in their eyes at all. "Deputy Dean Yin, my aunt and two senior sisters have proven that I did not beat Yin Xinlian up. You should believe me this time, right? Aunt, it's already noon. You haven't eaten yet, right? Come, I'll treat you to a meal at the canteen!" Yun Chujiu, this fellow, did not know what it meant to be disliked, she immediately moved to the side of the palace master's wife with a look of deep admiration.
