

The Yun Family's Ninth Child is an Imp! Chapter 114

Yun chujiu looked at the backs of the people who were trying their best to climb up. A cunning look flashed across her eyes. These innocent children were really easy to fool! However, she did not plan to tell them the truth. Perhaps this "Secret medicine" would still be useful in the future.

After 15 minutes, they finally saw the end of the stone steps. The crowd was even more excited. Just as they were about to climb up in one go, yun chujiu quickly shouted, "Wait! "

Everyone was very puzzled. "Little Jiu, what's Wrong? "

"Don't go up yet. Didn't the person who tested previously say that only after passing the first round of the test can we proceed to the second round of the test?" Yun chujiu blinked her eyes. There must be a story behind this.

"Yes, is there a problem? It's better to hurry up and go up. We're running out of Time! " Yun Chulu was a hot-tempered person. Seeing that the time was almost up, he could not help but feel a little anxious.

Yun chujiu rubbed her chin, her eyeballs rolled around. "Sixth brother, don't be anxious, don't be anxious! I thought about it just now. It's very likely that the second round of the test is directly above this step. If we don't make any preparations and just recklessly rush up, it's very likely that we'll directly choke on our farts! "

"AH, it can't be? The Linghua sect can't be that abnormal, right? Although we ate the secret medicine, we're also exhausted. We definitely won't be able to pass any test that's arranged for us!" Yun Chulu said in surprise.

"I think it's very possible! Do you think that the Ling Hua sect is so easy to enter? Little Jiu, then what should we do?" Yun Chuqi felt that Yun Chujiu's words made a lot of sense.

“Anyway, there’s still time. You guys take a rest first, and I’ll think about it!” Yun chujiu rubbed her chin, and her brain started to work quickly.

If she was the person who designed the test segment, after testing her courage and physical strength, what test would she do?

Yes, that’s right! It should be her reaction speed. There must be people or demon beasts lying in ambush, or it could be a formation or something like that.

“Brothers and sisters, there must be an ambush up there, but the test will only be triggered after all of us go up. Among Us, fourth brother has the highest spiritual power, and he can also release his spiritual power. How about this, we go up first. Fourth brother, wait for us to be ready, then you go up!” Yun chujiu waved her small claws, she made a decision immediately.

Everyone seemed to be used to listening to Yun Chujiu’s orders and began to carry out her orders without any doubt.

Thus, Yun Chujiu and the others climbed to the top of the stone steps first.

What appeared before their eyes was a lush green grassland with a few wild flowers growing on it sporadically. It was a quiet and peaceful scene! Especially when the sun shone on their bodies, it made them feel lazy. They just wanted to lie down and sleep.

At this moment, in the Linghua sect’s meeting hall, besides the few elders who were in seclusion, the elders of the five peaks and the Linghua Sect’s sect master, Xuanyuan Changkong, were all watching the entrance test in front of the Ying Stone.

“TSK TSK, Old Man Qu, your question this time is really too insidious. Not to mention those little rookies, even the current disciples will feel extremely relaxed when they see this grassland after they are completely exhausted.”

A little old man with a goatee said with a beaming smile, "This is a good idea that I thought of for a few months before coming up with! Shan Yanghu! "!" The test was their ability to react on the spot! Look at these little rookies, each and every one of them as stupid as pigs. Seeing them being tortured until they cried for their parents, this old man is very gratified! "

The corners of everyone's eyes twitched. This Old Man Qu was becoming more and more mischievous as he lived!

Only Master Xuanyuan pointed to a corner of the shadow stone and said, "Elder QU, although your test design is very ingenious, it seems that this little girl has already guessed your intentions! "

Everyone followed the direction master xuanyuan pointed and looked over. They saw two youths lying on the grass. After a black girl kicked them and said a few serious words, those people became vigilant and surrounded the little girl in the middle.
