

The Yun Family's Ninth Child is an Imp! Chapter 1149

Just as everyone was about to disperse, the people in the trial tower came out one after another. After all, the process of dying in there was too torturous. They would not be able to hold on for more than four hours. After they came out and heard about Yun Chujiu's matter, they also discussed animatedly. "We were all separated when we were teleported in, so we did not have the chance to meet each other. Otherwise, we could have brought Yun chujiu out." "Who asked her to sneak in by herself? She deserved it!" "Yeah, this Yun chujiu is too bold. This time, she's completely finished! She Won't be able to come out of the trial tower for the rest of her life." "I guess she will be trapped in the first level of the trial tower for the rest of her life. After all, it's a Fool's dream for her to break through to the second level with her spiritual power level." .. At this moment, the teacher guarding the tower of trials cried out in shock, "Heavens! Impossible! How is this possible? !" Everyone looked at him in confusion, especially the few principals who felt that this teacher mou was usually rather reliable. Why was she acting so abnormally today? Could it be that she had contracted some kind of illness? Seeing that everyone did not understand, teacher mou stammered in excitement, "Everyone, come out. There are still people on the second level! Yun Chujiu!" Deputy Dean Xiao Glared at him. "Why can't you even speak clearly? What do you mean?" Teacher Mou took a deep breath, after calming himself down, he said, "A total of twelve students entered today. Now that everyone has come out, but the second level of the trial tower is still lit up. This means that the person on the second level of the trial tower is Yun Chujiu!" Everyone immediately exploded! Impossible! This was impossible! Teacher Mou must be spouting nonsense! Only the fourth level of the Holy Spirit Realm could make it to the second level of the Tower of trials. Yun chujiu was trash from the first level of the spirit sect. How could she make it to the second level? Could it be that there was something wrong with the Tower of trials? Everyone felt that this was impossible. How could yun chujiu make it to the second level? Could it be that she was bluffing? Dean Huangfu suddenly thought of Yun Chujiu's abnormal talent and could not help but sigh. Such a good seedling had died trapped in this trial tower. I am a sinner of the Tianyuan Academy! Deputy Dean Xiao muttered softly, "Actually, Yun chujiu still has a way to get out." Everyone's eyes turned to him. Dean huangfu asked excitedly, "What Way?" "If Yun Chujiu passes the ninth level of the trial tower, she can be ejected out." Deputy Dean Xiao did not even have the confidence to say these words himself. In tens of thousands of years, no one had ever passed the ninth level of the trial tower.., not to mention Yun Chujiu who was at the first level of the Spirit sect. When everyone heard Deputy Dean Xiao's words, they were instantly discouraged. This possibility did not exist at all. Even a fifth level spiritual venerable could only reach the sixth level, not to mention Yun Chujiu who was on the first level of the spirit sect. Dean Huangfu Sighed. "Everyone, there's no need to stand guard here. Go back and think of a way to save Yun Chujiu." Deputy Dean Xiao and the others knew that it was useless to stand guard here. They dispersed one after another. Only teacher Mou, Feng Ming, and the others were still waiting outside the trial tower. Feng Ming and the others recalled the incident at the Azure mystic continent's Wuwei Tower. At that time, everyone thought that junior sister Yun wouldn't be able to pass the ninth level, but junior sister Yun had done it. They believed that she would be able to do it this time. Alright.., these three people were filled with a mysterious confidence towards Yun Chujiu.
