

The Yun Family's Ninth Child is an Imp! Chapter 1150

Two hours ago, when Yun Chujiu was poking her head out of the trial tower, she was sucked into the trial tower by the sudden suction force. She entered the first level of the trial tower with a dumbfounded expression. "F * ck! What's going on? ! I haven't received my jade token yet!" Yun Chujiu felt as though she was bickering with a dog. She was not stupid. Those people who entered had received their jade tokens. They must have activated their jade tokens before they could leave. A white light flashed. Yun chujiu realized that she was in a sea of water. The Sea of water was bone-chilling. A thought quickly flashed through Yun Chujiu's mind. F * ck, could it be that the spirit of the trial tower deliberately played a trick on her? Yun chujiu thought to herself, "Qi Ling!"? After bringing her in and trapping her inside, she could only live and die again. She had tortured her countless times. It was simply a lack of virtue! Damn Qi Ling, don't let me catch you, or I will torture you to death! Although Yun Chujiu was thinking angrily, she still activated the water repellent bead first and then floated above the sea. This guy tried the sound transmission talisman, and as expected, it didn't work at all. It was estimated that the concealment talisman and the sudden rupture talisman were also useless. "Master, are we trapped in this trial tower?" Xiao Heiniaosaid anxiously from inside the Spirit Beast Bag. Yun chujiu touched her nose. "Yes, it should be like this. We were tricked by the Shameless Qi Ling again." "Master, if you say that, I will be very sad. You Can't just knock over our Qi Ling with one hit!" Mao Maoqiu said aggrievedly. "Forget it! You tricked me so badly back then that you almost fed me to the Scorpions! Just stay away!" Yun Chujiu said angrily. Mao Maoqiu saw that Yun chujiu had dug up the past and immediately did not dare to say anything. After all, this fellow had also tricked Yun Chujiu badly back then. "Master, how are we going to get out? If we don't go out, although we won't starve to death, you will die countless times. Moreover, you won't be able to see your pretty boy anymore." Xiao Heiniaosaid. Yun Chujiu touched her chin. "HMPH!"! It Won't be that easy for that damn qi ling to torture me to death! There's only one way for us to get out of here now, and that is to get the Qi Ling out and torture it until it has nothing left to live for. Then, it will naturally let us out." Xiao Heiniaosaid about to cry. "Master, although you're full of confidence and it's a good thing, aren't you overconfident? That Qi Ling must be hiding on the ninth level. "But, you are only at the fourth level of the Spirit sect. Can you make it to the ninth level?"? "Didn't that teacher Mu Say So?"? "Only those at the fourth level of the spirit saint realm can make it to the second level. If you calculate, the ninth level should be the ninth level of the Spirit Paragon realm. How can you make it to the ninth level?" Yun chujiu pursed her lips indifferently, then, she pointed at her own head. "HMPH, strength is one thing, but brains are another. Your master's strength is not enough to supplement my intelligence. Besides, I'm not really dead anyway. Let's Fight!"! "I don't believe that I can't make it to the ninth level!" "Master, I think you might as well let the Lightning Strike You! If the heavenly lightning destroys this trial tower, won't we be able to leave?" "It's probably going to be tough. This trial tower is obviously not a common object. It might even be a divine artifact or something. The heavenly lightning might not be able to strike it. I'll give it a try." Sure enough, Yun Chujiu cursed for a long time, but there was no reaction at all. However, there was movement in the water. A huge sea beast appeared in front of them and swam quickly towards Yun Chujiu.
