

The Yun Family's Ninth Child is an Imp! Chapter 1162

When the three bloodthirsty wolves heard Yun Chujiu's words, one of the larger ones began to howl proudly. Although Yun Chujiu didn't understand what it was howling about, it probably meant that it should eat more. The other two bloodthirsty wolves were immediately unhappy and howled angrily. The larger one also didn't want to be outdone and howled again. A crafty look flashed across Yun Chujiu's eyes, she said to herself, "As the saying goes, more wolves have less meat. If this wolf loses one, wouldn't it have more meat in its mouth? Moreover, there could be another Wolf's corpse. It's worth it just to think about it." The two smaller bloodthirsty wolves heard Yun Chujiu's words and looked at each other. Suddenly, they attacked the larger one from the left and right. Although Yun chujiu could not see, she could hear the sounds of fighting from above. She did not stay idle and quickly brought Xiao Hei out so that it could quickly dig a hole. Xiao Hei was not good at other things, but it was good at digging holes. Although it was small, it could dig a hole very quickly. An hour later, the two smaller wolves' proud roars came from above the pit. It was obvious that the larger wolf had been killed. The two bloodthirsty Wolves had no time to care about Yun Chujiu who was in the pit. They wolfed down the corpse of the bloodthirsty Wolf. Although it was a mirage beast derived from the array, in the eyes of these Mirage Beasts., the Demon Beast's corpse would not disappear. After the two bloodthirsty Wolves finished eating, they burped and came to the side of the pit. Yun chujiu knew that the two bloodthirsty wolves were full now and would not eat her for a while. What she needed to do now was to stall for time and buy time for Xiao Hei. Xiao Hei was very smart. There was only a small hole outside. Yun chujiu used her body to cover it, but the hole inside was getting wider and wider. "The two wolves are really too brave. Since you are not hungry now, I will tell you some things about the outside to relieve your boredom!" Yun chujiu sat in the hole and said with a flattering look. The two bloodthirsty Wolves had just had a good meal, so they were not in a hurry to eat Yun chujiu. They lay lazily by the pit and looked at Yun Chujiu. Yun chujiu began to tell the story with a lively voice and a lively voice. The two bloodthirsty Wolves had never heard such an interesting story before, so they listened to it with great interest. Yun chujiu was good at lying. Besides drinking a few mouthfuls of water, she did not stop at all. She kept telling the story while thinking to herself, it would be best if these two bloodthirsty wolves started fighting and I could reap the benefits. "Lord Wolves, I don't know if you've heard of the saying, 'one mountain can not accommodate two wolves'. That means that no matter if it's a human or a demon beast, there must be a leader. Both Lord Wolves are so outstanding. Who is stronger? "I see that the Lord Wolf in the east has sharper fangs, but the Lord Wolf in the West has sharper claws. It's really hard to tell who is stronger," Yun Chujiu said with a conflicted look. The bloodthirsty wolf in the east howled arrogantly, and the bloodthirsty Wolf in the West also didn't want to be outdone. The two bloodthirsty wolves howled continuously. "The two wolves value harmony. Don't fight. Your strength is equal. It's hard to say who will win or lose. Don't Fight!" Yun chujiu shouted. The two bloodthirsty wolves were just howling, but when they heard Yun Chujiu, they immediately started fighting.
