

The Yun Family's Ninth Child is an Imp! Chapter 1164

At this moment, the outside of the trial tower was already in an uproar! When Yun Chujiu reached the fourth level, many people began to gather outside the trial tower to watch. They had a faint hope that Yun chujiu would continue to advance, although they felt that this idea was ridiculous! However, if Yun Chujiu, who was at the first level of the Spirit sect, could reach the fourth level, what was impossible? ! Of course, there were also many people who came for di beiming and Xue Wuji. Although they did not dare to disturb the two meditating, it was still good to be close to them. As time passed, some people began to twitch their lips. "I think Yun chujiu can only make it to the fourth level. The demonic beasts on the fourth level are of the twenty-fifth level, which is equivalent to the spiritual power of the first or second level of the supreme being realm. No matter how Lucky Yun Chujiu is, it's impossible for her to defeat them." "Well, you're right. Yun chujiu is just like that. If we could still cultivate in there, we might be able to make it to the ninth level in our lifetime. Yun Chujiu has a heavenly thunder spiritual root, so she can't cultivate in there at all, so she can only live and die on the fourth level." "In my opinion, she might as well be on the first level. No matter what, the environment on the first level isn't that bad. The environment on the fourth level must be pretty bad. She's asking for trouble, and she has to suffer even before she dies." .. Just as everyone was talking, they heard teacher Mou's voice breaking. "Fifth level! Yun chujiu has broken through to the fifth level!" Everyone looked up and saw that the fifth level of the trial tower had lit up. It was obvious that Yun Chujiu had broken through to the fourth level and reached the fifth level! Everyone felt that this was impossible! Not to mention that Yun Chujiu was only a first level spirit sect freshman, even a first level spirit paragon might not be able to pass the fifth level. How on Earth Did Yun Chujiu do it? This was simply too unbelievable! Teacher Mou was so excited that he was trembling slightly. Right now, he could not wait for Yun Chujiu to pass the ninth level so that di beiming and Xue Wuji would not vent their anger on him. Moreover, he had been guarding the trial tower for many years, so he was truly excited from the bottom of his heart, he really hoped that he would be able to see someone pass the ninth level in his lifetime. Di beiming and Xue Wuji had been meditating all this while. When they heard teacher Mou's shout, they raised their heads and took a look. Their hearts were filled with joy. Perhaps Little Jiu (little sister Jiu) would really be able to pass the ninth level! Dean Huangfu was also extremely excited. This Yun Chujiu was really a weirdo! She actually managed to pass the fifth level of the trial tower with the fourth level of the Spirit sect. She was truly a rare genius! However, could she continue to break through? Trial Tower, fifth level. Yun Chujiu sneezed fiercely. "Damn, someone must be missing me. Perhaps the gigolo knows that something has happened to me and is waiting for me outside!" "Master, don't talk about these useless things. It's better to think of a way quickly. Otherwise, you will only be gnawed into white bones by these gold-eating gold ants countless times." Xiao Heiniao said unhappily. This Guy's heart was really big., at this time, he still had the mood to think of a gigolo! At this time, Yun Chujiu was standing on top of a small mound. Below her was a dense swarm of gold-eating gold ants. The ants were quickly climbing up the mound, yun chujiu and Xiao Heiniao were constantly using their spiritual power to attack the gold-eating gold ants. However, the number of gold-eating gold ants was really too many. Even though Yun chujiu and stupid Meng were trying their best to attack, many still managed to climb up. "Master, quickly think of a way! I don't want to turn into a bird skeleton again and again!" Xiao Heiniao shouted anxiously.
