

The Yun Family's Ninth Child is an Imp! Chapter 1177

Yun chujiu wiped away her tears. "I don't care. In my opinion, it's because you helped me that you had a disagreement with him. Now that you've come to the Tian Yuan continent, I'll definitely help you find a good husband!" Qi Qi, what type of handsome man do you like? There are groups of handsome men around me now. There's brother Wu Ji who is devilishly charming, brother Feng Ming who is bright and handsome, and brother Geng Yi who is straightforward. Oh right, there's also brother mermaid. I'm telling you, Brother Mermaid is actually a mermaid..." "His deep blue eyes are like sapphires, and when he laughs, he'll turn into a human. Hehe, which one do you like?" Yun Qi was still expressionless, but the corners of her mouth curled up slightly. It was obvious that she was in a good mood. Seeing this, Yun Chujiu tried even harder to introduce her! "Qi Qi, I think that my brother Black Rooster is the most suitable for you!" "You have a cold personality. Although my brother Wuji occasionally suffers from some idiotic diseases, he is very good at making girls happy. Moreover, he is the kind of person who spoils his girlfriend. With your cold personality, you should find a middle-aged man who is as passionate as fire "Moreover, brother Wuji's spiritual power is not bad. He can protect you. You have always been protecting others. In the future, you can enjoy the feeling of being protected by others! "Most importantly, brother Wu Ji's mother passed away a long time ago. You Don't have to deal with the mother-in-law and daughter-in-law issues. Otherwise, with your cold appearance, you'll definitely be made difficult by your mother-in-law. You Don't even know that my mother-in-law-to-be acts arrogantly all day long. She feels that she's superior to others. However, she can't do anything to me. Every time she comes, she brings me warmth. hahaha!" .. Yun chujiu babbled non-stop, as if she had a nagging disease. Yun Qi only talked to her occasionally, but it was all very simple. Yes, was it? Okay, and so on. "Qi Qi, are you hungry? I have a lot of delicious food here. I'll take it out for you to eat!" Yun chujiu filled the entire stone table with the things she thought were delicious in her storage ring, and she warmly invited Yun Qi to eat. Yun Qi picked up her chopsticks and lightly ate a few mouthfuls. "Not bad. This place is indeed suitable for a foodie like you." Yun Chujiu's eyes reddened once again. "En, I'm fine here. You have to be fine too!" "I've always been fine. On the contrary, it's you who looks heartless and softhearted. This is a world where the strong are respected. You Can't be soft-hearted anymore. Otherwise, you'll implicate others." Although Yun Qi's tone was cold.., there was a faint worry in her eyes. Yun chujiu nodded hard. "I'll remember it!" "Qi Qi, don't you like to hear me tell jokes the most? 'Let me tell you!'! The giraffe married monkey. A year later, the giraffe filed for divorce. 'I don't want to live such a life of jumping up and down anymore!'! Monkey was furious. 'divorce it is!'! 'who has ever seen someone climb a tree just to kiss!'! "Hahaha, isn't that very funny?" Yun Qi did not say anything, but her sharp eyes curved into a crescent moon. Seeing this, Yun chujiu began to tell jokes again. Yun Qi's side did not do much, but the weapon spirit hidden somewhere was rolling on the ground with laughter. Damn, although this stinky girl was very annoying, the jokes she told were still very funny. It was enough for it to laugh for a long time! It seemed that this stinky girl had completely fallen into the illusion that she had set up. Then, she would just stay in there forever. HMPH, she was still too young to fight with it!
