

The Yun Family's Ninth Child is an Imp! Chapter 1178

In the back garden, there were not only pavilions and pavilions, but also bedrooms and study rooms. Everything was available. Yun chujiu was always with Yun Qi, talking about everything. Yun Qi listened quietly. Occasionally, she would fight with Yun chujiu and Yun Qi. Most of the time, Yun Chujiu was beaming with joy. However, sometimes, she would secretly wipe her tears behind Yun Qi's back. Although the weapon spirit could set up an illusion, it could not see the specific illusion of the person who entered the realm, it saw that Yun Chujiu's eyes were often red, and it could not help but wonder, what kind of illusion did this stupid girl enter? Why did she cry and laugh at the same time? Was she crazy? In this way, ten days passed in a row. On this day, Yun chujiu placed a sumptuous meal on the stone table. "Qi Qi, I'll toast you with a cup of tea instead of wine." Yun chujiu poured two teacups full, and one of them was handed to Yun Qi. Yun Qi didn't say anything and directly drank the tea. Yun Chujiu said with a smile, "Qi Qi, you always do things so straightforwardly!" "Qi Qi, do you know?" Ever since I transmigrated to this world, I received family and love, and I also had friendship. But the most regretful thing for me was that I would never see you again. You were the only light and warmth in my previous life, and you were also my biggest concern. I know you look cold on the surface, not human, but your heart is purer than anyone else, if it was not for you, I would have died! So I love money like my life, I just want to save enough money one day, so that we can leave the organization! Unexpectedly, I did save enough money, we also escaped from the organization, I was struck by lightning to the transmigration! "I know that you will be very, very sad when you know that I'm dead, but you must be well. You must meet that man who understands you.., "That man must be ten thousand times better than that Bastard Yun Ling!" Yun Qi stared at Yun Chujiu for a long time, and then two shallow dimples appeared on her face. "Good!" Seeing this, Yun chujiu hugged Yun Qi's thigh and wailed. "Qi Qi, although I know that everything is an illusion and fake, I really miss you too much. That's why I'm willing to fall into the illusion and not leave. However, there are many people outside the trial tower who care about me. I Can't stay in the illusion forever. "Now, I have a new goal. I want to cultivate well. There will definitely be a day when I become a god. At that time, I can tear open the void and come to see you. If you're willing, I'll bring you to the world I'm in.., "I will introduce brother Wu Ji and the others to you. We will be happy together, okay?" Following Yun Chujiu's words, Yun qi and everything in front of her turned into nothingness. Yun chujiu did not have the time to care about it. She sat on the ground and wailed loudly! "Cough cough! Cough Cough! Yun Chujiu, you have passed the ninth level of the trial tower. You Can Leave Now!" Although Qi Ling said these words unwillingly.., however, someone had passed the ninth level. Even if it wanted to cheat, it had no choice. Otherwise, it would be punished by the heavens. "Get lost! Can't you see that I haven't howled enough? You Don't even have the ability to see!" Yun Chujiu said fiercely and continued to howl! Qi ling was jumping. Arrogant! Too arrogant! If it wasn't for the fact that I couldn't beat you, I would definitely teach you a lesson! However, inside this trial tower, there was only the demonic beast formed by the formation. It had no way to teach Yun chujiu a lesson, and could only stare blankly.
