

The Yun Family's Ninth Child is an Imp! Chapter 1179

An hour later, Yun Chujiu finally had enough. She wiped her tears and looked at the Qi ling beside her. Then, she jumped in fright. "F * ck! What are you? You're too ugly!" "Stupid girl! You're talking nonsense! This Qi Ling is obviously the most handsome Qi Ling!" Qi ling almost fainted. This Qi Ling was obviously handsome and handsome, how could she be ugly? ! Yun chujiu pouted. "It seems that you are not only mentally ill, but also have a problem with your taste!" When did San Jiaoyan become the standard of handsomeness? Could it be that you are referring to the standard of handsome men in the frog world? You are obviously a black frog, but you still call yourself a handsome man. You Are Really Shameless!" "B * Tch! You! You are driving me mad! Do you believe that I will trap you in the ninth floor forever? I will never let you out!" Qi ling was jumping around, looking more like a black frog. Yun chujiu pouted. "If you dare to do that, would you wait for me to finish howling? Stop playing tricks in front of me, or I'll turn you into a roasted frog!" "You, you dare? !" Qi Ling was fierce on the outside but weak on the inside. However, when it saw Yun chujiu directly striking at it with a purple lightning bolt., it was immediately terrified. "Little, Little Fairy, I'm joking! How could I do such a shameless thing? Look, you've been here for a long time, shouldn't you go out? Otherwise, the people outside will be worried about you!" "Stop fooling around! Where's the reward? I've cleared the level, shouldn't there be a mountain of supreme-grade spirit stones and tens of thousands of immortal artifacts?" Qi ling was so angry that she almost fainted! Do you think I'm a treasure basin? And a mountain of supreme-grade spirit stones and tens of thousands of immortal artifacts? ! Why Don't you go and Rob Them? ! "Little Fairy, my trial tower is for people to train, how can there be any reward? Have you heard of anyone who cleared the first level and got the reward?" Qi Ling's eyes flashed with a trace of treachery. Yun chujiu sneered twice. "Little black frog, do you know what is the most unique characteristic of me, Yun Chujiu?" Xiao Hei Frog? Qi Ling almost spat out a mouthful of blood. This smelly girl's mouth was really too sarcastic! "Little Fairy, isn't your most unique characteristic a beautiful person with superb spiritual power?" Although Qi Ling wanted to strangle Yun Chujiu to death, he still said obsequiously. "Humph! "Stop flattering me. Although what you said is the truth, my greatest characteristic is that I never leave empty-handed. If you don't give me something good, do you believe that I will tear down your ninth floor? I will turn your back garden into ruins!" Yun Chujiu said fiercely. Qi Ling rolled his eyes and said, "Little Fairy, to tell you the truth, there is really no reward for passing the ninth floor. How about this? I still have some private money, so I will give it to you!" After saying that, Qi Ling dropped dozens of supreme-grade spirit stones on the ground. Yun chujiu blinked her eyes and put the spirit stones into her storage ring, then, she looked at Qi Ling with a faint smile. "Xiao Hei, do you think I'll believe that you only have so much? "Do you want to take it out voluntarily, or do you want me to force you to take it out? "Originally, I didn't want to enter the trial tower, but you forced me in. I suffered so much because of you. Don't you think we should settle the score?" After saying that, Yun Chujiu commanded the eight immortal swords to fly around the weapon spirit. Every time, they barely brushed past the weapon spirit's body. The weapon spirit was so frightened that its triangular eyes stood on their ends. "Qi Ling, Qi Ling, San Jiaoyan, Qi Ling!"
