

The Yun Family's Ninth Child is an Imp! Chapter 118

"Elder Qu, what's the content of the third round of the test?" Everyone was very curious. The content of the entry test had always been kept strictly confidential. Even Master Xuanyuan only knew some general information.

Elder Qu raised his neck and said proudly, "I've spent a lot of effort in the third round of the test. Not to mention those seven small dishes, even the strongest groups would have to be skinned alive if they wanted to pass!"

The Qingyun team didn't know that they had become the focus of attention and were happily 'Whack-a-mole'!

Yun Chulu: "I didn't expect that this tier 2 ironbone bear would be so vulnerable! It was killed by us in just a few hits!"

Yun chuba: "That's right! It's even weaker than the wind-edge Rabbit!"

Yun Chuqi: "Is the brain of the person who designed the second round of the test squeezed by a door? Why is the second round of the test easier than the first round?"

Yun chuwu: "Little Jiu is smart. Otherwise, we would have been tortured to death by these iron-bone bears!"

Yun chusi: "Yes, Little Jiu is indeed the biggest contributor!"

Qing si: "Little Jiu, you are too smart to be human!"

Yun chujiu..

After ten rounds, the scene changed. Yun chujiu and the others found themselves standing on a high platform, and there was an endless abyss below.

“Little Jiu, what will the content of this round be? It feels so terrifying!” Yun Chuqi looked down. The bottom was bottomless, and it was terrifying to look at.

Yun chujiu looked at the platform. It was about 50 to 600 feet in diameter, and there was an abyss below. Could it be?

Yun chujiu frowned. “This platform should be a PK platform!”

“F * ck? What does F * ck mean?” Everyone looked at Yun Chujiu in confusion.

“Ah, it means a competition stage. It means a competition stage!” Yun chujiu stuck out her tongue.

Yun Chuba cried out in shock. “Competition stage? Heavens, our group is the weakest. Any random group can crush us to death! Then, won’t we not be able to pass this round of the test?!”

The other few people were also filled with worry. Indeed, the strength of any group was far higher than that of the Qingyun Group. It would be extremely difficult to pass this round of the test!

Yun chujiu glared at them, “Difficult! Of course it’s difficult! If it wasn’t difficult, wouldn’t everyone be able to enter the Ling Hua sect? You all must know that there are Tigers on the mountain, yet you still choose to walk towards the Tiger Mountain. Don’t you think that you’ll be able to do yourself a favor if you don’t risk your lives? All of you, beat them up with all your might! Do You Hear Me?”

“Little Jiu, what you said makes sense, but there’s a huge difference in strength. Even if we go all out, we won’t be able to beat them!” Yun Chulu scratched his head and said a little awkwardly.
