

## The Yun Family's Ninth Child is an Imp! Chapter 1183

"Time travel? What do you mean by time travel?" Di beiming asked with a frown. "HMM, how should I put it? Prince Charming, there's something I haven't told you. Actually, I wasn't originally from the Qing Xuan Continent..." Yun chujiu told him about her time travel. She didn't tell him before because she was afraid that it would be too unbelievable and di beiming wouldn't believe it. Moreover, the relationship between the two of them wasn't that close. Yun chujiu felt a little uneasy after she finished talking. After all, she was a little vixen who had lived for two lifetimes. Would the pretty boy have any bad thoughts? Unexpectedly, after di beiming heard it, he hugged Yun chujiu even tighter. "Little Jiu, you must have suffered a lot in the world that you mentioned. I will treat you even better in the future so that you won't suffer anymore." Yun chujiu never thought that di beiming would say such words after hearing her 'background'. Her eyes were slightly moist. The two of them were silent for a long time, and they just hugged each other tightly. "Little Jiu, when you said to travel through time and space, you meant to tear apart the void. Only gods can do such a divine ability, but it is said that gods have been extinct for hundreds of thousands of years." Yun Chujiu's mood was a little depressed when she heard this. It seemed that she would not be able to see Yun Qi anymore! "Little Jiu, don't be too sad. Since you can travel through time and space, that Lady Yun Qi that you mentioned might also be able to travel through time. There is a fixed fate in the dark. You will definitely meet her again. If I see her again, I will definitely thank her and thank her for taking care of you for me for so many years." Di beiming felt that ever since he met Yun chujiu., he had said more than the previous twenty years combined. Yun Chujiu's eyes lit up. "Yes! Maybe Qi Qi will also transmigrate. When the time comes, I will introduce brother Wu Ji to her. She has a cold personality and brother Wu Ji is as passionate as fire. The two of them are the most suitable!" Di beiming was slightly jealous of Xue Wuji before. Now that he heard Yun chujiu say this, he decided not to lower himself to Xue Wuji's level anymore. In Little Jiu's heart, he treated him like a brother, otherwise, she would not have taken the trouble to introduce him to a girl. Di beiming suddenly saw Yun Chujiu's chest reveal a touch of Snow White. His throat tightened. This kind of seeing but not touching was really killing! "Little Jiu, you, what have you not come yet?" Di beiming asked with a slightly red face. Yun Chujiu was stunned. Then, she understood di beiming's meaning, she puffed her cheeks and said, "Yeah, I'm also puzzled. My fifth and seventh sisters have been here since they were thirteen years old. Why haven't I Come Yet? Could it be that I'm a fake woman, but in fact, I'm a real man?" The corner of di Beiming's eyes twitched violently. "Nonsense! When you go to Changfeng Inn for your rest, I'll ask the elders in the hall who are proficient in medical skills to take a look at you." Yun chujiu nodded. Indeed, she should take a look. It would be better if she did not have any hidden illness. I still want to give birth to a monkey for the Pretty Boy! "Little Jiu, go to sleep. When you fall asleep, I will leave. In order to prevent others from suspecting, Xue Wuji and I will cultivate outside the trial tower for a few days before leaving." "En, Prince Charming, sing me a lullaby. I haven't heard it for a long time." Yun Chujiu yawned and said. Di beiming gritted his teeth and still started singing. Yun chujiu fell asleep in a short while. Di beiming kissed her forehead before activating the concealment talisman and leaving Yun Chujiu's courtyard.
