

The Yun Family's Ninth Child is an Imp! Chapter 1190

That afternoon, Yun Chujiu had just had lunch in the canteen when she noticed that the sky had started to darken. She raised her head and saw that dark clouds were beginning to gather. It seemed that Wu Yun was preparing to strike her. Yun chujiu jogged all the way to Dean Huangfu's courtyard. The guard no longer stopped Yun chujiu because Dean Huangfu had given an order that Yun chujiu could enter at any time. "Dean! Dean! The Heavenly Lightning is coming again!" Yun chujiu shouted as soon as she entered the courtyard. Dean Huangfu realized that the sky had darkened. He knew that Yun Chujiu was going to be struck by lightning again. Dean Huangfu opened the isolation array with ease and then took a chair to the side, he calmly said to Yun chujiu, "Just come. Why are you shouting? ! Roast a few more spiritual potatoes. I'll put them in my storage ring and eat them slowly." The corner of Yun Chujiu's eyes twitched. This Old Fox's skin was getting thicker and thicker! Just as Yun Chujiu was complaining, the clouds were getting thicker and thicker. Yun chujiu raised her head to take a look. It was not the dark clouds that struck her last time, nor the dark clouds in the Lihuo Desert. It seemed that the one who came this time was mengxin, mengxin was good. Mengxin could easily be angered by her, so she could strike her for a little longer. This way, she could break through more layers. Moreover, she had consumed quite a lot of thunder spiritual power before, so she could let the three malefactors absorb more. Yun chujiu took out a handkerchief to wrap her hair, and then sat cross-legged on the ground. Boom! Wu Yun casually hacked down a bolt of heavenly lightning. In its eyes, she was just a little trash at the first level of the spirit sect. No matter what kind of spiritual root she had, a bolt of heavenly lightning could make her vomit blood. However, after it finished hacking, it found that the little girl below was fine, and was still sitting cross-legged. It was probably because it did not strike accurately just now. Again! Boom! Another bolt of heavenly lightning struck down. Then, it realized that the little girl was still fine. Wu Yun was a little confused. It seemed that the heavenly lightning spirit root was indeed a little different. However, it did not matter. Two bolts would not do. Twenty bolts would definitely be enough to kill it. Hence, the continuous heavenly lightning began to strike Yun Chujiu. After half an hour, Wu Yun felt that he must have seen the little girl's corpse. Perhaps even her corpse was gone. However, what the hell was that smiling face there? "Stupid cloud in the sky, are you a newbie? You're really weak! If you don't know how to strike lightning, then don't strike. It's simply too embarrassing! How could such a weak lightning be called Heavenly Lightning? It should be called rookie lightning instead! Ah, that's not right. This is really insulting a rookie. I might as well call it a weak chicken lightning! Hahaha!" Wu Yun had never been provoked like this before and was instantly enraged. Several heavenly lightning bolts struck continuously at Yun chujiu. Damn girl, you are really audacious. You actually dare to challenge it., today, I will definitely turn her into ashes! The heavenly lightning bolts struck continuously again. Yun chujiu sat in the pit and roasted the spirit potato while provoking Wu Yun. Wu Yun naturally wasn't willing to be outdone and continued to strike! Dean Huangfu, who was sitting at the side, looked up sympathetically. This piece of Wu Yun would most likely be angered to the point of vomiting blood. Meeting such a little pervert was a disaster for it, Yun Sheng. The heavenly lightning continued to strike for more than six hours. Other than a few more pits on the ground, nothing changed. Yes, there was even a pile of roasted spiritual potatoes. Wu Yun in the sky already felt that Yun Sheng was hopeless.

How could such a little pervert appear in the Tian Yuan continent? If it knew what it said, it would not come! After this, Ben Yun's self-confidence suffered a serious blow. Sob, Ben Yun really wanted to cry.
