

## The Yun Family's Ninth Child is an Imp! Chapter 1191

Wu Yun felt that he wouldn't gain anything if he continued to hack down, so he floated away dejectedly. Yun chujiu waved her claws. "Little Yun Yun, you are welcome to continue hacking next time! Next time, bring a little more thunder spirit energy and hack a little more thoroughly. This time, hacking is really not satisfying." When Wu Yun heard Yun Chujiu's words, he floated even faster! Pervert! This was a pervert! He would never come again! Dean Huangfu asked Yun chujiu with anticipation, "You rose two levels this time?" Yun chujiu smiled smugly. "If I only rose two levels, wouldn't I be letting down the suffering I suffered in the trial tower?!" "Then, then, how many levels did you rise?" Dean Huangfu ridiculed in his heart. Comparing people was infuriating. If an ordinary person rose two levels at once, they would probably be so happy that they would die. Yet, this fellow actually didn't pay attention to them. Yun chujiu stretched out four fingers and shook them. "Only four levels. Originally, I thought I would be able to reach the ninth level of the spirit sect. Unfortunately, I've only risen to the eighth level of the Spirit sect. Looks like I'll have to enter the trial tower again if I have the chance." Dean Huangfu's face was blank. Only four levels? Rose four levels in two months? In less than half a year, this little girl had risen from the first level of the Spirit sect to the eighth level of the Spirit Sect? If someone had said this in the past, he would have thought that he was talking in his sleep. However, this had actually happened to Yun Chujiu. It was no wonder that the Tian Dao did not approve of her talent. It was simply too heaven-defying. Dean Huangfu had initially been a little worried about the life and death arena. Now that he looked at it, there was no need to worry at all. Not to mention that Yun chujiu would still level up in the next two months, even if she did not level up, with her full of evil schemes., she could easily trick Yin Xinlian to death. Yun chujiu rolled her eyes and adjusted her spiritual power to the second level of the Spirit sect. After all, it wouldn't make sense if she didn't level up for such a long time. The corner of Dean Huangfu's eyes twitched violently. This guy was really evil, hiding six layers of spiritual power. Some students would definitely suffer in the upcoming mid-year competition. Dean Huangfu opened the isolation array, and it was still the same formula. The spectators were also used to the same argument. Even when they saw that Yun Chujiu had advanced to the second level of the Spirit sect, there was no reaction. After such a long time, she should have broken through to the next level. Yun chujiu walked out of the courtyard and saw that Deputy Dean Yin had learned his lesson this time. He stood far away and stared at her with a malicious gaze, Yun chujiu smiled at him. "Deputy Dean Yin, why are you standing so far away this time? The heavenly lightning is here to strike me, not you. Besides, you haven't done anything wrong. What are you afraid of?" When everyone heard Yun Chujiu's words, although they didn't say it, they all looked at Deputy Dean Yin. They thought that what Yun Chujiu said might be true. If deputy Dean Yin hadn't done something shameful., why did the heavenly lightning strike him repeatedly? Deputy Dean Yin's face was livid. He gritted his teeth. Stupid girl, keep showing off! This year's mid-year competition was your death date! Deputy Dean Yin naturally wouldn't lower himself to argue with Yun Chujiu. Moreover, this generation's heavenly lightning strike was getting more and more shameful, so he left in anger. Yun chujiu pouted and hopped back to the dormitory. As soon as she arrived at the dormitory, the voice transmission talisman in her storage ring started to vibrate. Yun chujiu used her divine sense to probe inside, di Beiming's voice came from inside, "Little Jiu, master has sent me a message. Your situation is probably related to the guai Cao. It absorbed a lot of nutrients from

your body previously. Although you were able to make up for it after cultivating, your blood and Qi are still being absorbed by it. Therefore, before getting rid of the Guai Cao, I'm afraid you won't come to Kui Shui anymore."
