

The Yun Family's Ninth Child is an Imp! Chapter 1197

Yun Chujiu was so angry that she was amused! "Yin Sulian, do you think that everyone has to follow you around? "I'm not your father or your mother. I have no obligation to help you without any regrets after you framed me. Of course, even if you want to be my daughter, I won't accept you. You're too stupid. You might as well have a dog!" Yin Sulian was so angry that she raised her hand and was about to slap Yun Chujiu's face. Yun Chujiu's eyes darkened and everyone heard a few loud slaps. Then, they saw that Yin Sulian's face was swollen like a pig's head. "Yin Sulian, if it weren't for the rules of the academy, I would have killed you long ago. So, don't provoke me in the future. Otherwise, I'll beat you up every time I see you!" Yun Chujiu said coldly. Yin Sulian was so frightened by Yun Chujiu's evil aura that she didn't dare to say a word. She felt that if she said another word, Yun Chujiu would really kill her. Even the students were also shocked by Yun Chujiu's sudden cold and fierce look. For a moment, the hall was silent. Yun Chujiu clapped her hands. "Previously, who said that they would pay me two hundred thousand upper-grade spirit stones? Hurry up and transfer them to me. Otherwise, don't blame me for not being polite." Everyone was afraid that Yun Chujiu would really treat them like Yin Sulian, so they obediently transferred the spirit stones to Yun Chujiu. Only then did Yin Sulian react, and she shouted like a mad person, "Yun Chujiu! You beat me in public. Just you wait, I'll go ask the Dean and teacher to make a decision for me right now. Just You Wait, you'll definitely be expelled!" Before Yin Sulian could leave, the cabin door of the hall was opened, and Deputy Dean Xiao and the others walked in. Deputy Dean Xiao's face was gloomy as he looked at the crowd with displeasure. Yin Sulian said with tears in her eyes, "Deputy Dean Xiao, Yun Chujiu beat me in public. You must stand up for me!" Deputy Dean Xiao was noncommittal and asked Yun Chujiu instead, "Is Yin Sulian talking about the matter?" Yun Chujiu's expression was even more aggrieved than Yin Sulian's. "Deputy Dean Xiao, this Yin Sulian is just spouting nonsense. She was the one who slapped herself. She went crazy in the illusion. She said that she wasn't human and slapped herself. Now she's framing me. How Shameless!" The corner of Deputy Dean Xiao's eyes twitched. This Yun Chujiu really didn't even blink when she lied. If he hadn't seen the scene before, even he would have believed her. Deputy Dean Xiao looked at the crowd and asked, "Yun Chujiu and Yin Sulian, who said it was true?" The students from the Huang class naturally shouted, "What the class monitor said is true. Yin Sulian's face was slapped by herself. It's most likely because she has epilepsy!" Yin Sulian was so angry that she gritted her teeth and looked at the students from the other three classes. What she didn't expect was that a large number of people also said, "It was indeed Yin Sulian who hit herself, not Yun Chujiu." Yin Sulian almost fainted from anger. These people were clearly on her side before. Why were they actually speaking up for Yun Chujiu Now? She did not know that these people felt that they had offended Yun Chujiu just now. Now was a good opportunity to make a contribution and atone for their sins. Otherwise, this little pervert Yun Chujiu might not take revenge on them? Moreover, everyone knew that Deputy Dean Xiao and Deputy Dean Yin were not on good terms. It was impossible for deputy dean Xiao to side with Yin Sulian. Even if it was really Yun Chujiu who hit them, there would not be too heavy a punishment. Since that was the case., why did they have to offend the little pervert again? After deputy Dean Xiao heard it, he said unhappily, "Yin Sulian, it seems that you really framed Yun Chujiu. How outrageous! I'll let you off this time. If you offend her again, the Academy rules will punish you."
