

The Yun Family's Ninth Child is an Imp! Chapter 1201

At this moment, the masked men were no longer careless. The first time was a coincidence, and the second time was a sign that the little girl was indeed a little strange. No wonder the higher-ups had sent so many of us to kill her. The leader of the masked men laughed sinisterly. "Stinky Girl, you do have some skills, but you still have to die today! Everyone, attack together, don't let this stinky girl escape!" Yun chujiu was not stupid. She was just lucky that she could kill those two people just now. If she didn't run now, when would she do it? ! Yun chujiu was confident that although her spiritual power level was not as high as theirs, her running speed was still okay. However, she never expected that another group of masked men would appear in front of her. They were waiting for her with a cold smile. The masked men behind her also caught up. "Stinky Girl, Why Don't You Run? Fortunately, the higher-ups have strategized and know that you are unusually cunning. Let's see where you will run to this time." The masked men on both sides gradually approached. Yun chujiu gritted her teeth. There was only one path left now, and that was the direction of the Pearl and Jade Flower. Although there were dozens of scarlet twin-tailed snakes there, I wasn't afraid of poison, at most, I would be bitten by them a few times. Although these masked men could kill those snakes, they would also be stopped. At that time, I would be able to find a place to hide. Thinking of this, Yun Chujiu ran in the direction of the jade flower. The masked men on both sides merged into one and chased after her. From Afar, they could see Yun chujiu rushing towards the jade flower. One of the masked men laughed and said, "I'm afraid that stupid girl doesn't know that there is a nest of scarlet twin-tailed snakes in the jade flower. She is going to die, which saves us the trouble of fighting her." Everyone laughed in agreement. This little girl has been forced into a corner by us. She's actually seeking her own death! Yun chujiu heard the laughter behind her and sneered in her heart. HMPH, laugh, laugh. Do you think that I'm Stupid? You Won't be able to laugh in a while. Just as Yun Chujiu ran to the side of the jade flower bush, those scarlet twin-tailed snakes jumped out and pounced fiercely at Yun Chujiu. Yun chujiu held up her spiritual energy shield. Although she wouldn't be able to hold on for long, it was still good to be bitten less. Seeing this, the masked man thought in disdain, how strong does this little girl think her spiritual energy is? Her spiritual energy shield would be corroded by the poison in a short while. Sure enough, in less than fifteen minutes, Yun Chujiu's spiritual energy shield was corroded. Although she ran with all her might, she was still bitten by a few snakes, but she still rushed past the jade flowers. "Boss, should we chase after her? That little girl was bitten by the Crimson twin-tailed snakes several times. She probably won't survive!" "Although the chances of her surviving aren't high, for the sake of safety, let's chase after her!" said the masked leader. Upon hearing his words, everyone could only rush to the front and fight with the Crimson twin-tailed snakes. In the end, a few people died. Some of the masked men felt that it was unnecessary. That little girl wouldn't be able to survive at all. Why chase after her? This time, they even lost a few of their brothers. However, they did not find Yun Chujiu's body after chasing her for a long time. Could it be that the little girl was not dead? The leader of the masked men frowned. "Search! She can't have gone far. She must be nearby! If we don't kill her this time, the higher-ups will not let us off!" The masked men thought of the viciousness of the higher-ups and immediately trembled. They tried their best to search, but they could not find Yun chujiu after searching for a long time. It was as if Yun Chujiu had disappeared into thin air.
