

The Yun Family's Ninth Child is an Imp! Chapter 1213

"Humph! Nonsense! You are deliberately mystifying!" Yin Sulian curled her lips in disdain. At this moment, the gate of the courtyard opened and deputy Dean Yin walked out. "Yun Chujiu, why are you looking for me? Doesn't your Huang Class have a teacher in charge? Why are you looking for me?" Deputy Dean Yin's eyes were filled with disgust. This wretched girl was really lucky. She actually didn't die? That group of trash, more than thirty people actually didn't manage to kill Yun Chujiu? She was really stupid to death! Moreover, she didn't even know to send a message back before she killed Yun Chujiu. She really deserved to die! "Deputy Dean Yin, I obtained some good stuff during the Scarlet Cloud Valley trial. I realized that it belongs to your Yin family, so I plan to return it to you." Yun Chujiu said with a smile. Before Deputy Dean Yin could say anything, Yin Sulian raised her voice, "Yun Chujiu, you shameless thief! You actually stole something from our Yin family. Hand it over now! Otherwise, I'll teach you a lesson!" Yun chujiu looked at Yin Sulian with amusement, "Yin Sulian, your brain is a good thing, but you didn't Grow Up! Didn't you hear me? I picked it up in the Crimson Cloud Valley, and I'm here to return it, right? What's the Rush?" Yin Sulian was rendered speechless by Yun Chujiu's rebuke, so she had no choice but to act tough on the inside. "If you want to return it, then hurry up. What are you waiting for? Are you trying to refuse to return it?!" "Of course I have to return it. I don't dare to take anything from your Yin family. Everyone, move aside. This thing takes up a lot of space." The corners of Yun Chujiu's lips curled up, and her eyes flashed with a cold light. Everyone was puzzled. What exactly did Yun chujiu want to return to Deputy Dean Yin? Found it in the Crimson Cloud Valley? How could there be anything belonging to the Yin family in the Crimson Cloud Valley? Deputy Dean Yin was also very puzzled. However, he didn't think that Yun Chujiu was that kind-hearted. He had an inexplicable ominous feeling in his heart. "Deputy Dean Yin, look carefully. I have returned it intact!" After Yun Chujiu finished speaking, the corpse of a man in black appeared on the ground! Everyone immediately exploded! "Oh my God, wasn't Yun Chujiu attacked by masked men at Crimson Cloud Valley? Could This person be?" "I think so. Oh My God, it's someone from the Yin Family!" "TSK TSK, Yun Chujiu has offended the Yin family many times. The Yin family is not to be trifled with!" "This Yun Chujiu is really intrepid. Not only did she kill him, she even gave him to Deputy Dean Yin. This is a blatant slap in the face!" .. Deputy Dean Yin's expression was gloomy as he looked at the black-clothed man on the ground. "Yun Chujiu, what do you mean by this? What does this person have to do with me?" The corners of Yun Chujiu's mouth curled up. "Nothing to do with you? What about this?" Another corpse of a man in Black was thrown on the ground! Before Deputy Dean Yin could say anything, Yun chujiu continued, "This? And these?" Following Yun Chujiu's words, one corpse after another appeared in front of Deputy Dean Yin. There were more than thirty corpses of men in Black! Everyone was shocked! Damn! These were the Yin family's secret guards? It seemed that the Yin family really hated Yun Chujiu to death. They actually sent so many people to kill Yun Chujiu! However, how did Yun Chujiu kill all these people? Wasn't she only at the second layer of the spirit sect? Deputy Dean Yin was also shocked and took a step back. It was impossible! How Could Yun chujiu kill all these secret guards? Their spiritual power was much higher than Yun Chujiu's, and there were many of them. How could they all be killed by Yun Chujiu? At this moment, Yun Chujiu threw a bunch of tokens on the ground. "Deputy Dean Yin,

these are the identity jade tokens on their bodies. Don't tell me you don't recognize the Yin family's jade tokens? ! Oh right, there's another good thing. Listen up, everyone."
