

The Yun Family's Ninth Child is an Imp! Chapter 1215

"That's right. Yun Chujiu is also considered to have risen from the dead. However, I am very curious. How did Yun Chujiu kill all these people? Could it really be that she did it all by herself?" Deputy Dean Xiao asked, puzzled. Deputy Dean Jiang didn't quite agree. "That's not possible, right?" Although the little girl was quite clever, the difference in spiritual power was so great. The opponent had more than thirty people. How could she have killed them all by herself? Perhaps it was the help of the secret guards of the Temple of Immortals." Deputy Dean Xiao shook his head. "No, I think that these people were all killed by the little girl. As for what method she used, I'm afraid it's not a conventional method. This little girl has a belly full of evil water. She might not have cheated them in any way!" "Right, this time, not a single person from the Huang class was eliminated. This is too strange. Could it be that Ji Sha's teaching level is so high?" "In less than half a year, he has completely transformed those students with average aptitude?" Deputy Dean Jiang asked in puzzlement. Deputy Dean Xiao thought for a moment and said, "Although Ji Sha is not bad, it's impossible for him to make such great progress in such a short period of time. I heard that the students of the Huang class move in groups. Perhaps this is more efficient, and their results are also more average. Although they can't be particularly good, they won't be eliminated." Deputy Dean Jiang said suspiciously, "It's that simple. I feel that there's something fishy about it. Forget it. Since the mid-year competition is over, we can relax for a month." "That's right. We can use this opportunity to visit our old friends." .. At this moment, deputy Dean Yin's face was ashen. He didn't expect that more than 30 secret guards couldn't even kill a little girl at the second level of the Spirit sect. What made him even angrier was that they were all killed by Yun Chujiu. They were simply stupid to the extreme! What made him angrier the most was that this smelly girl actually declared war on him so arrogantly. She was simply slapping the Yin family's face! Smelly girl, don't be complacent. It's going to be a month's long vacation soon. If you leave the Tian Yuan Academy, I will definitely kill you! Deputy Dean Yin looked at the corpses on the ground with a face full of disgust. However, he couldn't just leave them there. He could only wave his hand and put them into his storage ring. Then, he stormed into the courtyard angrily. The next morning, the elimination list for each grade was announced, and the half-yearly long vacation began. "Junior sister little nine, what are your plans for this month?" Feng Ming asked. Yun chujiu sighed. "It's a pity that only spiritual venerables can pass through the barriers of the two continents. Otherwise, I could use this month to go back and see grandfather and the others. "Since I can't go back, then I'll just stay in the Tian Yuan Academy and cultivate." Feng Ming blinked and asked mischievously, "Junior Sister Little Jiu, young master Di, No, your excellency should be coming to look for you, right?" Yun chujiu pouted. "The old witch knows that I'm on holiday, so she must be watching me very closely. I reckon that the pretty boy can't get away." Feng Ming's face stiffened when he heard Yun Chujiu's two strange names. In the Tian Yuan continent, only junior sister little jiu would dare to call the Palace Master's wife and your excellency that way. What Yun Chujiu did not expect was that the next day, manager Luo from the Temple of Immortals had arrived! "Ninth miss, under the orders of the palace master's wife, I invite you to the Temple of Immortals for a long holiday," manager Luo said respectfully. She had naturally looked down on a little girl from the Qing Xuan Continent in the beginning, but after these few incidents.., she deeply understood one thing, and that was that she

would rather offend the palace master's wife than offend this little girl. This little girl was really despicable!
