

## The Yun Family's Ninth Child is an Imp! Chapter 1223

"I'm giving you a gift. I'm a man of my word. Of course I'll give you a gift," Yun Chujiu said as she took out her kitchen knife. Liu Ye was so scared that she screamed, "You, what are you giving me?" "Originally, I wanted to draw two little bastards on Your Face, but since your name is Liu Ye, then I'll draw two Liu Ye. Then, wherever you go, everyone will know that your name is Liu Ye!" "Oh right, didn't you say that Yin Xinlian is the most generous? "After I draw you Liu Ye, you can go and ask her for medicinal pills, and your appearance will return to normal. "After all, you are also a dog that she feeds, so she will still be willing to part with you." Yun chujiu took the large kitchen knife and rubbed it against Liu Ye's face. Liu Ye was so frightened that her face turned pale. "You, you dare? If you dare to ruin my appearance, the Palace Master's wife will definitely stand up for me!" "My Aunt Dotes on me the most. Will she punish me because of a little handmaiden like you? Are you talking nonsense?" After Yun Chujiu finished speaking, the large kitchen knife in her hand started to slice Liu Ye's face. Liu Ye's miserable howl made everyone's hair stand on end, but no one stepped forward to stop her. Although this Yun Chujiu was not liked by the palace mistress.., but they were still guests after all. They were just servants, there was no need to have any conflict with her. After Yun Chujiu finished drawing the two pieces of Liu Ye, she nodded her head in satisfaction. "Although I haven't drawn Liu Ye for a long time, the drawing is still pretty good. You can stand up and look at yourself in the mirror. It's really beautiful." After saying that, Yun chujiu untied Liu Ye's acupoints and spiritual power. Liu Ye stood up, took out the mirror, and almost fainted. Two pieces of Liu Ye appeared on her delicate and flawless face. It was as ugly as it could be, she was blinded by anger and directly threw several wind blades at Yun Chujiu. The steward of the canteen frowned. Just as he was about to help Yun chujiu block them, he saw that Yun Chujiu had already disappeared. She was actually behind Liu Ye, and then she ruthlessly kicked Liu Ye, Liu Ye flew out like a kite with a broken string. She fell heavily to the ground and directly fainted. The contempt in everyone's hearts disappeared in a flash. Although this Yun Chujiu was at the second level of the Spirit sect, that Liu Ye was at the sixth level of the Spirit sect. In front of Yun Chujiu, she didn't even have the strength to fight back. "You're really ungrateful. I helped her draw Liu ye out of kindness, yet you want to repay kindness with enmity! This is really outrageous. That person in green, do you think my drawing is good?" Yun Chujiu pointed at a maid. When the servant girl in green heard Yun Chujiu's question, she trembled slightly and said, "Good, good, it's a good drawing." "What do you think?" Yun chujiu pointed at a servant girl in purple. "Good! Your drawing is lifelike, very good." The servant girl in purple quickly echoed. She thought to herself, this little girl is really too ruthless. Don't offend her. Yun chujiu then nodded with satisfaction. "It seems that your taste is much better than Liu Ye's. Those who are close to her will become red and those who are close to her will become black. You should stay away from her in the future so that you won't be infected by her stupidity." Everyone agreed. They only had one thought in their hearts. Regardless of whether this Yun chujiu was a good-for-nothing or not, it would be easy for them to take care of these servants. It was better for them to be more respectful, otherwise, they would end up like Liu Ye. Therefore, everyone just let Liu Ye pass out and no one went over to ask. Yun Chujiu took out a handkerchief and wiped her hands. Then, she said to the steward of the canteen with a smile, "Steward, shouldn't you hurry up and Cook? I have been hungry for a long time."
