

## The Yun Family's Ninth Child is an Imp! Chapter 1224

When the steward saw how Fast Yun chujiu changed her expression, he was stunned for a moment. He regained his senses and quickly said, "Miss Yun, please wait for a moment. I will go and Cook for you personally." "Okay. You Can Call Me Miss Jiu from now on. Miss Yun Sounds Weird." Yun chujiu sat back on the chair and said with a smile. "Yes, Miss Jiu." After saying that, the steward brought two helpers into the kitchen and busied himself. Those servants no longer dared to sit like a master or a lady. They all stood respectfully, afraid that if this little devil did not like them, they would end up like Liu Ye. "Why are you all standing there? Continue eating! I am the kindest person. If you don't provoke me, I am still very easy to talk to." Yun chujiu took out a spirit fruit and started to eat it. Kindhearted? Forget it! Using a large kitchen knife at the slightest disagreement and kicking at the slightest disagreement. If you were kindhearted, there would be no evildoers in this world! Everyone hurriedly ate a few mouthfuls and then left one after another. Their speed was so fast that it was as if they were fleeing for their lives! Yun chujiu curled her lips. Why were the servants of the Palace of Immortals so timid? She didn't do anything! An hour later, Steward Li from the canteen placed the prepared dishes into a food box and handed it to Yun Chujiu. Yun chujiu opened it and saw that not only were there the six dishes that she had ordered, there were also some pastries and side dishes, this steward Li sure knew how to do things. Yun chujiu put the food box into her storage ring and threw it on the table with five hundred upper grade spirit stones. "This is for you!" After saying that, Yun chujiu hopped away. This fellow couldn't wait to go back and feast. Steward Li looked at Yun Chujiu's back with a dumbfounded expression and then looked at the spirit stones on the table. She gave five hundred upper-grade spirit stones as a reward? Didn't they say that this ninth young miss was the most stingy? Didn't they say that she was the most greedy? It seemed that it was true that rumors couldn't be heard. This ninth young miss wasn't as useless as Dian Cui said, and she looked completely different from the other three young misses. At this moment, Liu Ye also woke up. She saw that she was still lying on the ground, but there was no one beside her. She was so angry that she almost fainted again. After she got up, she gritted her teeth and stomped her feet, then went straight to Yin Xinlian's courtyard. Yin Xinlian's courtyard had a maid arranged by the palace mistress — Xi Lan. She was currently serving Yin Xinlian dinner when she heard a knock on the door and walked out. Xi Lan was shocked when she saw Liu Ye's miserable state. "Liu Ye, you... how did your face become like this?" Liu Ye scolded angrily, "It's all because of that Yun Chujiu! I only said a few words and she used a knife to destroy my face! Xi Lan, help me make a report. I want to see Miss Yin." Xi Lan said with some embarrassment, "Miss Yin is having dinner. It's not appropriate to report now. Why Don't you go back first? I'll tell Miss Yin after dinner. If she's willing to see you, you can come over." At this moment, Yin Xinlian said in the room, "Let her in!" Liu Ye quickly followed Xilan into the courtyard and knelt down to Yin Xinlian. "Miss Yin, I know you're the kindest. You must save me! Otherwise, my appearance will be ruined." Yin Xinlian showed a worried expression. "Liu Ye, you... how did you become like this? Who ruined your appearance?" "It was that B \* Tch Yun Chujiu!" Liu Ye told her about the incident at the canteen. Of course, she hid her extreme words and blamed Yun chujiu.
