

The Yun Family's Ninth Child is an Imp! Chapter 1227

Liu Ye, who was kneeling on the ground, was naturally filled with joy. She deserved it! You, a country bumpkin, actually dared to ruin my looks. Just wait to be punished! Just as Liu Ye was feeling pleased with herself, she never expected that Yun Chujiu would suddenly give her a kick. Even in her dreams, the miserable Liu Ye would never have imagined that Yun chujiu would actually dare to beat her in front of the hall master's wife. She was directly kicked out of the living room, she directly crashed onto the green stone slab outside. Fortunately, she was a person with spiritual power. If this was an ordinary person, they would definitely fall to their deaths. Everyone in the room was stunned. To start a fight without a word, this was too intrepid! Moreover, what kind of place was this? If you did this, wouldn't you be slapping the hall master's wife's face? Don't you think about it? The hall master's wife's face was ashen. Just as she was about to fly into a rage.., she saw Yun chujiu point at Liu Ye and curse, "You audacious slave! You woke up my aunt early in the morning because of your trivial matter! Don't you know how important beauty sleep is to a woman? My aunt provides you with food and clothes, and you actually harbor such evil intentions! You ungrateful wretch! Weren't you the one who asked me for a reward yesterday? What's wrong with me giving you two Liu Ye? ! You still have the face to complain to my aunt? ! How Shameless! Besides, my aunt said that she would treat me as her own daughter from now on. The temple of Immortals is naturally my home. As the master, What's The Big Deal about me teaching you a lesson as a maid? You actually want to sow discord between me and my aunt, Pui! Would someone as Wise as my aunt listen to your slander? !" Liu Ye was already severely injured. After being scolded by Yun Chujiu, she was instantly dumbfounded and couldn't say a word! "Aunt, actually, Yesterday, Yesterday, WUWU, I suffered a great grievance. I was afraid that you would be worried, so I endured it and didn't say anything. I didn't expect this little, B * Tch, trash to actually bite me back. This is really a slave bullying its master! "Aunty, you must help me make a decision! "I was so wronged that I did not sleep the entire night. In the morning, I was so angry that I fainted. Manager Luo woke me up only after shouting for a long time." Manager Luo's eyes were fixed on the ground. I did not hear anything, I did not hear anything.. The palace master's wife was stunned by Yun Chujiu's words. She actually did not know what to say, saying that she did not follow the rules and beat up the Master's maid? That little shameless person said those words. If I were to say that again, she would definitely say that I broke some promise to treat her as my own daughter. Yes, if she treated the temple of Immortals as her own home, there was nothing wrong with the master teaching the maid a lesson. Just as the palace mistress was in a difficult position.., she heard Yin Xinlian say, "Junior Yun, although you don't treat yourself as a guest, this Liu Ye Girl's appearance has been ruined by you. What will you do in the future? She only offended you with her words. Aren't you being too cruel?" Yun chujiu looked deeply at Yin Xinlian. Yin Xinlian felt goosebumps and her body tensed up. Did Yun chujiu want to fight with her? Although she wasn't afraid of her, she couldn't kill her in front of the palace master's wife. However, she could teach her a lesson. "Yin Xinlian, sigh! No wonder young master Wuji said that your yin sisters are Shameless! Today, I have finally seen it for myself! This is a family matter of our hall of longevity. What is a guest like you talking about? Could it be that this Liu Ye has some secret deal with you? Oh right, yesterday, this Liu Ye praised you. She even said that senior Qin and senior Bai Li are not as good as you. Could it be that this is a spy arranged by Your Yin clan in the Hall of longevity? "Are you planning to stir

up trouble in the temple of Immortals, and then your Yin clan will wait for an opportunity to make a move? “Moreover, my aunt hasn’t said anything yet. What right do you have to say anything? “Do you think that you’re in the Yin Clan Now?”
