

The Yun Family's Ninth Child is an Imp! Chapter 123

Yun Chujiu had a bad premonition the moment Wu Yun gathered.

Oh My God, could it be that lightning was going to strike her? !

Normally, she would be very happy and would be eager to be struck by lightning! But now was not the time!

Damn Lightning, if you didn't come early or late, why did you come to join in the fun? !

If it was an ordinary silver lightning, it would be better. But if it was a purple lightning tribulation, it would definitely implicate the people around them! What should they do?

Yun Chujiu weighed the pros and cons and said to Yun chusi and the others, "You guys climb for a while first. I'll rest for a while."

Yun Chulu said with a cheeky smile, "Little Jiu, we don't have any strength left. Can We Rest for a while too?"

Yun Chujiu's small face stiffened. "No, I can still run now. Can you guys do it? Hurry up and climb!"

Yun chulu laughed dryly and scratched his head. He could only reluctantly follow Yun Chusi and the others to climb up.

Just as Yun Chulu and the others climbed more than a thousand feet away, a few silver lightning bolts struck down from the sky.

Yun chujiu let out a long breath. Fortunately, fortunately, it was silver and not purple.

At this moment, the meeting hall was filled with exclamations. The image on the shadow stone began to blur and eventually turned into ripples.

“Oh no! The heavenly lightning must have destroyed the formation’s eye! This old man will go and check it out.” Elder Qu frowned and quickly left to check.

Yun Chujiu had just let out a sigh of relief. Just as she was about to chase after Yun Chusi and the others, a purple lightning struck down towards Yun Chujiu.

Damn it, she knew it wouldn’t be that simple!

Yun Chujiu was afraid of attracting the attention of others and also afraid of implicating others, so she hurriedly left the stone steps and went into the forest next to her.

The purple lightning bolt also followed her into the forest in a crooked manner. It seemed like it wouldn’t stop until it struck Yun Chujiu.

Finally, Yun Chujiu found a small empty space. With her hands on her waist, she pointed at the little lightning bolt that was chasing after her and jumped around while cursing, “F * ck! You Little Purple Loach, you didn’t come early or late. You actually came to strike me at this time. I’ll give you 10,000 Bad Reviews!”

“You damn little loach! Come on! Strike Me! I Can’t wait for it!”

The little purple lightning paused for a moment, as if it was in a difficult position. Then, it aimed at Yun Chujiu. Well, to be precise, it was aimed at Yun Chujiu’s small satchel.

What? Yun Chujiu was dumbfounded. So it wasn’t aimed at her? ! It was aimed at Xiao Heiniao? !

Before Yun Chujiu could react, several more purple lightning bolts came down from the sky. They were exactly the same as the previous ones. They paused for a moment, then some went to Yun Chujiu, and some went to the Satchel.

These finger-sized lightning bolts were like tickles to Yun Chujiu now. They were not satisfying at all.

As Yun Chujiu was disturbed by the test, she was extremely angry. She pointed at Wu Yun in the sky and cursed, "Too weak! Too weak! Have you not eaten? If you have the ability, hit me harder! Don't Make Me Look Down on you!"

The purple lightning bolts in Wu Yun were instantly enraged! Too Much! Too Much! Too Much! If they didn't chop this black girl to death, they wouldn't be able to survive in the Lightning World!

Thus, the purple lightning bolts gathered together and a lightning bolt as thick as an adult's arm struck fiercely at Yun Chujiu.

Yun chujiu looked at the huge lightning bolt coming at her and three words flashed across her mind, "I've played too big!"

..

Wu Yun in the sky saw the deep pit that was emitting black smoke on the ground and floated away in satisfaction. Done! The two scourges were finally eliminated!
