

## The Yun Family's Ninth Child is an Imp! Chapter 1231

The two of them arrived at Yin Xinlian's courtyard. After chatting for a while, Yin Xinlian found a catalyst to send Xilan out. "Miss Dian Cui, I'm really full of grievances. I just can't stand Yun Chujiu's overbearing way of doing things. I didn't expect her to make the Palace Master's wife dislike me with just a few words. Sigh!" Yin Xinlian sighed and said. "Miss Yin, you don't have to be sad. The palace master's wife is just unable to change the situation for the time being. She might forget about this matter in a few days." The key point was that Yun Chujiu was really detestable. She was just an old country bumpkin from the Qing Xuan continent, yet she actually turned the tables and acted arrogantly in the Palace of Immortals." Dian Cui said through gritted teeth. Yin Xinlian's heart stirred. How could this Dian Cui be so resentful towards Yun Chujiu? It was probably because the palace master's wife had always been good to her, so she felt that Yun Chujiu had been taken care of by the Palace Master's wife, so she was not convinced. It seemed that this Dian Cui could be used. She was much more useful than Liu Ye. "Miss Dian Cui, actually there are some things that I shouldn't have said, but since we hit it off, I'll only tell you. It's fine if you hear it." "Miss Yin, just say it. Don't worry, I definitely won't reveal it to anyone." "The palace master's wife is really too kind-hearted. Does a daughter of an old friend need to be taken care of like this?" "Moreover, she's too indulgent. Last time when the palace master's wife went to the Tianyuan Academy, not only was Yun Chujiu extorting one million upper-grade spirit stones, she also extorted a lot of spirit tools." Now, she had also indulged her in beating up the palace maids of the Hall of Immortals. "I reckon that Yun Chujiu has forgotten her identity," Yin Xinlian said with a face full of anger. "Yun Chujiu, she..." Dian Cui almost revealed Yun Chujiu's true identity, but she still swallowed it back. If the palace Lord's wife knew that she had leaked the secret, she would definitely not let her off, thus, she continued, "She is indeed too arrogant. Such a person should be taught a lesson! "Miss Yin, I can see that she has gone against you many times. With your identity, wouldn't it be easy for you to deal with her? Why haven't you taken care of her?" Yin Xinlian sighed, "Of course, it's because of the palace master's wife's face. Otherwise, I would have taken care of her long ago." "Miss Dian Cui, Yun Chujiu is extremely greedy. Who knows, she might do something. You are the palace master's wife's favorite. You must be careful. Don't be tricked by her." "Tricked me? HMPH! She better not provoke me. Otherwise, I'm not as easy to deal with as Liu Ye." Dian Cui said disdainfully. Yin Xinlian saw that it was almost time to sow discord, so she said, "Miss Dian Cui, the food and food you eat in the Hall of eternal life are all top-quality. I have nothing to give you. This fifty thousand high-grade spirit stones can be considered as a small gift from me." Dian Cui pretended to decline a few sentences, but she still accepted the spirit stones. She had accepted quite a lot in the past, so she felt that it was only natural. After all, she was favored by the Lady of the palace master, so it was very useful for her to put in a good word for her. Dian Cui walked out of the courtyard and couldn't help but sneer. Was Qin Mingzhu planning to use someone else to kill her? Did she really think that she was stupid? However, when she thought of di Beiming's deep affection for Yun Chujiu, the jealousy in her heart spread like weeds. Her esteemed self had always been cold and aloof, but ever since she met this Yun Chujiu, she had become different from before. How could a little trash from the azure mystic continent obtain her esteemed self's deep love? She was not worthy at all! She knew that with her status, she was not worthy of her esteemed self. However, before her esteemed self met Yun Chujiu, he had no intention of getting

married. She was the closest woman to her esteemed self! As long as she watched silently and loved him silently, she would be satisfied. However, after having Yun chujiu, her esteemed self no longer belonged to her. Therefore, Yun Chujiu had to die! Yin Xinlian, you want to use me? HMPH, let's see who will use who!
