

The Yun Family's Ninth Child is an Imp! Chapter 1232

On this day, Qin Mingzhu and the other two invited Yun Chujiu to take a walk in the garden. Although Yun Chujiu was not interested, she could not refuse. She followed the three of them to stroll around the garden in low spirits. She thought to herself, "What's so good about this lousy garden?" If only there were fruit trees, at least there would be fruits to eat. After the four of them strolled around for a while, Yin Xinlian brought them to a pavilion at the side to sit for a while. Then, they arrived at the pavilion. As soon as the four of them sat down, Dian Cui brought two maids over with snacks. After a while, Dian Cui said, "Four young ladies, although this garden is not bad, it will be a little boring after a long time. Why don't I bring you to the Spirit Fruit Forest to stroll around? There are many spirit fruits that have already matured there." Yin Xinlian immediately echoed, "Spirit Fruit Forest? I've long heard that the Temple of Immortals has a spirit fruit forest, but I've never been there. There's no harm in taking a look." Qin Mingzhu and Baili Yan also nodded in agreement. They also felt that there was nothing interesting these few days. Otherwise, Yin Xinlian would not have suggested to go to the garden and followed them. "Can you pick the spirit fruits there?" Yun Chujiu's concern was always different from others. Dian Cui smiled. "Of course. The four of you are all distinguished guests of the Temple of Immortals. Of course you can pick a few spiritual fruits." Hearing that, Yun Chujiu immediately beamed. "Then let's go! I like eating spiritual fruits the most." "Four young ladies, please follow me." Dian Cui turned around and signaled the four of them to follow her. A trace of viciousness flashed in her eyes. The Spirit Fruit Forest was located at the northwest corner of the rear hall of the temple of Immortals. It took them more than an hour to arrive at the spirit fruit forest. From afar, they could smell the fragrance of the spirit fruit. Yun Chujiu took the lead and rushed to the front. Damn, there was such a good place? No wonder the pretty boy always had spirit fruits in his storage ring. It turned out that the temple of Immortals had such a large spirit fruit forest! This guy didn't stand on ceremony either. He picked a red fruit and began to eat it with a simple rub. Qin Mingzhu and Baili Yan looked at each other. This Yun Chujiu was really a foodie. She didn't pose any threat to them at all. Dian Cui smiled and said, "The three young ladies, you can also choose the spirit fruits that you like to eat and have a taste. Don't stand on ceremony." Qin Mingzhu and the other two picked one as a token and ate it. Yun Chujiu was much more shameless than them. As she ate, she put it into her storage ring. "Ladies, there are seven star fruits here. The taste is very fresh and sweet. Follow Me." Dian Cui gestured for everyone to follow her. After many twists and turns, they indeed found a few spiritual fruit trees with golden fruits. The golden fruits on the trees emitted a sweet fragrance and were very tempting. Next to these fruit trees was a barren land with weeds growing everywhere. Yun Chujiu picked a seven-star fruit and started to eat it. Her eyes immediately lit up and she began to shamelessly put the seven-star fruits into her storage ring. This was the first time she had seen this thing, and it tasted really good. She had to decorate it more. "Miss Jiu, the seven-star fruit on the branch here is yellow and big. Come and pick it!" Dian Cui pointed at a fruit tree next to her. Yun Chujiu looked up and sure enough, the seven-star fruit on the tree was yellow and big. She immediately began to pick the fruit under the tree happily. When Yun Chujiu was tiptoeing to pick the fruit, Dian Cui exclaimed and bumped into Yun Chujiu. Although Yun Chujiu was not knocked down, she stepped on the barren land with one foot.
