

The Yun Family's Ninth Child is an Imp! Chapter 124

The other six members of the Qingyun team climbed for a while. When they saw that Yun Chujiu did not follow them and heard the deafening thunder, they immediately panicked and rushed back to look for Yun Chujiu.

Coincidentally, they met Bai Moyu and the others who were climbing up.

Yun Chusi and the others were very surprised to see Yun Chushan and the others. She did not expect them to pass three rounds of the test! She pretended to be pleasantly surprised. "Chusi, that's great! You guys passed the first three rounds of the test too? ! Why didn't you climb up but went down instead? "

"Third sister, did you see Little Jiu on the way here? " Yun Chusi quickly asked Yun Chushan.

"No! Why? Did Little Jiu disappear? " Yun Chushan showed a worried expression, but she was actually very happy in her heart. She deserved it! It would be better if Yun Chujiu was dead!

Yun Chusi had no time to care about Yun Chusi's question. He acknowledged and brought Yun Chuwu and the others down the mountain.

Yun chushan shouted from behind, "Hey! If you go down, there's a high possibility that you won't be able to enter the outer sect! Why Don't you go look for Little Jiu after you complete the test? The treatment in the outer sect is a hundred times better than that of a handyman! "

Yun Chusi and the others stopped in their tracks. Yun Chusi turned around and gave Yun Chushan a deep look. "In our opinion, Little Jiu's safety is more important than anything else! "

Yun Chusi's face stiffened and said embarrassedly, "If you don't know how to appreciate a good person's kindness, then do as you please! "

Yun Chusi took a few steps forward and said to Qing si, "Qing si, let's go look for little jiu. You continue to climb up!"

Qing si was stunned. "I, Qing si, am not the kind of person who doesn't have a sense of loyalty. At worst, I'll just become a servant! Fourth brother, stop wasting time. It's more important to look for little jiu."

Seeing Qing Si's resolute attitude, Yun Chusi did not say anything more. In his heart, he had a trace of approval for this little sister who came later.

Yun Chusi and the others arrived at the place where Yun Chujiu was resting and found Yun Chujiu's footprints. They searched along the footprints and finally found the deep pit that was still emitting billowing black smoke.

"Little Jiu's footprints disappeared when they came here. Could it be... could it be..." Yun Chusi couldn't continue. He didn't dare to say or think about the tragedy that might happen.

"Little Jiu! Little Jiu! Where are you?" Yun Chuwu cried out loudly with her crying voice.

Yun Chuqi and the others also shouted at the top of their lungs. They really didn't want to believe the fact that little jiu had been struck by lightning. They could only shout with a glimmer of hope.

"Cough! Cough! Cough! Stop shouting, I'm in the Pit!" Yun chujiu's weak voice came from the pit.

Everyone quickly gathered around the pit. "Little Jiu, are you okay?"

"Cough! Cough! Cough! I'm fine, it's just that the smoke is too strong, and I've changed into a shiny new hairstyle! Hurry up and get a rope to hang down and pull me up!"

Rope? Yun Chuwu and the others looked at each other. There was no rope on them either. Fortunately, Qing si was quick-witted. She saw that there were vines next to her, so she cut a few vines and tied them together, hanging down the deep pit.

Everyone exerted their strength together, and without much effort, they pulled a black thing up.

At this moment, Yun Chujiu was in a terrible state. Her body was covered in scorched earth. Other than a pair of eyes that were as red as a rabbit's, no one could see her facial features. By the way, the most shiny thing was the shiny bald head!

There was a drooping black crow on the Bald Head. Its green bean-like eyes were also filled with tears from the smoke.

When everyone saw Yun Chujiu's miserable state, they felt like laughing out loud. Yun Chulu could not help but laugh out loud.

Yun Chujiu glared at him. "Sixth brother, take off your coat and give it to me!"
