

The Yun Family's Ninth Child is an Imp! Chapter 1243

Di Linhan's study. The Lady of the Palace Hall had a noble and overbearing appearance in front of outsiders, but in front of Di Linhan, she had suddenly turned into a little fangirl. "Linhan, the incident this time was indeed my negligence. I had thought that even a little handmaiden would not be able to turn the heavens upside down, but who would have thought that she had stirred up such a huge disaster. Please forgive me this time." The Lady of the Palace Hall saw that Di Linhan's expression was not worried, she said humbly in a low voice. "HMPH! What kind of banquet are you throwing every now and then? I'm not going to scold you. If you have nothing better to do, then go out and show off. I'm not going to scold you either, but look at how the rear hall has been controlled by you? ! If it wasn't for the fact that Little Jiu was so lucky, if she had really died within the forbidden grounds, I'm afraid that the northern seas would never forgive you for the rest of Your Life!" Di Linhan said furiously, he had been worried about Yun Chujiu's safety for the past few days and he had not had the time to settle the score with the Palace Lord's wife. Now, he had settled the score. "Linhan, I have indeed been a little indulgent towards them recently and I will take good care of them. Besides, that little rascal has always been clever and quick-witted. Who would have thought that he would be tricked because of his gluttony? He had really nearly gotten me killed!" "You are still trying to quibble? ! No matter how clever she is, she is still just a child. Moreover, she is not familiar with this place and it is inevitable that there will be times when she will be negligent. You clearly know that Dian Cui and Yin Xinlian are up to no good and you still gave them a chance to show off. Do you still have a point?" Di Linhan shouted sternly. The wife of the palace lord shrunk her neck in guilt, her eyes reddened: "Ling Han, I know that I am useless. I do not have as high a spiritual power as your three junior sisters and I do not have the same family background as them. You must be regretting marrying me. SOB SOB, since that is the case, I will ask for permission to step down from the hall. I will make room for them!" The more the palace mistress spoke, the sadder she became, and her tears continued to flow down. Di Linhan was still fuming with rage when he saw that the palace mistress was crying, he immediately went numb. "Jin Se, I just wanted to give you a reminder to properly tidy up the rear hall. I didn't mean anything by it." "What do you mean by you didn't mean anything? You were so good to me in the past, but now that I've aged, you're angry at me!" The palace mistress cried even more sadly. Di Linhan said in a fluster: "Jin Se, what do you mean by 'aged'? In My Heart, you are the most beautiful!" "Really?" When the palace Lord's wife heard di Linhan say that, her tears turned into a smile. Di Linhan looked at the palace Lord's wife's tearful smile and his eyes darkened: "Of course it's true. Jin Se, that Little Brat bei Ming is getting more and more disobedient. Let's give him another little brother or sister!" The lady's face immediately turned red and she spat: "You Shameless Old Man! Bei Ming is already so old, why would he still want a child?" "The outcome is not important. The process of my hard work is very important." Di Linhan said as he carried the lady up and with a wave of his hand, a secret room appeared behind the bookshelf. After the two of them walked in, everything returned to normal. Di beiming walked to the door of the study. Initially, he wanted to ask di Linhan something, but he did not expect to hear the conversation between his shameless parents. His face turned red and he had no choice but to turn around and leave. After Yun Chujiu finished dealing with Qin Mingzhu and Baili Yan, she returned to her own courtyard. As soon as she entered the house, she was embraced by di beiming. The two of them were naturally entangled.

Although di beiming really wanted more, but because of Yun Chujiu's physical condition, he had no choice but to endure it. "Prince Charming, actually, something else happened in the forbidden land. The gas inside is different from outside. Xiao Heiniaoy and the rest..." Yun chujiu saw that di beiming was trying his best to restrain his desire and started to change the topic.
