

The Yun Family's Ninth Child is an Imp! Chapter 1244

After hearing Yun Chujiu's words, di beiming felt uneasy again. There were too many unimaginable things happening to little jiu. Moreover, according to what she said, she had transmigrated from another world, would she transmigrate back in the future? Yun chujiu saw that di beiming did not look too good and asked worriedly, "Prince Charming, what's wrong? Are you worried that I brought the things from your forbidden land?" "Silly! Why would I feel bad for those things? I, Little Jiu, if I give you a chance to travel back in time, will you go back?" "Of course! Then I can see Qi Qi!" Yun Chujiu said without hesitation. Di beiming's face immediately darkened, and his eyes were full of hurt. "Little Jiu, you, you actually!" Di beiming could not continue speaking. He slammed the door angrily and left! Yun chujiu looked at the originally sturdy door that was broken into several pieces. She was dumbfounded. Did she say something wrong? Why did this gigolo get sick again? He had not vented his anger with the door for a long time. Why was he fighting with the door again today? Yun chujiu was puzzled, but di beiming felt that he was not well. He was afraid that Yun Chujiu would leave in the future, but he was also angry at Yun Chujiu's heartlessness. Yun chujiu had no choice but to ask manager Luo to change the door. Manager Luo was puzzled. Why would this little devil vent his anger on the door? For a few days, Yun chujiu did not see di beiming anymore. Even the palace master's wife and di Linhan did not summon her anymore. It was as if they had left her here to fend for herself. F * ck! What were they doing? Could it really be that because she had taken a little bit of their Hun Dun's energy, this family did not bother with her anymore? What a stingy family. Just as Yun Chujiu was feeling indignant, di beiming came. Yun chujiu saw di Beiming's appearance, she was shocked. "Prince Charming, what kind of blow did you take? Why did you become so Haggard? Although this melancholic aura is quite seductive, my heart aches! Who bullied you? Tell me, I'll help you take revenge! Eh? Why did you drink? You Didn't let me drink, but you actually drank. This is too much!" Di beiming smiled bitterly. "Who bullied me? It's You, you heartless black thing bullying me! Am I not good to you? Why are you so heartless to leave me?" Yun Chujiu was confused. "When did I leave you? Tianyuan Academy is about to start, of course I have to leave." "Yes, I admit that I'm not strong enough to protect you from any harm. But every time you suffer, do you know how much I feel sorry for you? I wish that I was the one in danger and not you!" "Actually, I only need to trap you in the Temple of Immortals, and you won't be in any danger. Then we can always be together. But I know that that is not the life you want, so I let you go on your own." I just need to quietly protect you. But, why do you want to leave me? What I did not do well, you can tell me, why do you want to leave me? You have so many incredible things happened, even my master could not explain, do you know how worried I was? How Scared I was? I was afraid that I could not protect you, afraid that you leave me, I did not think that you are really heartless, not at all reluctant, I really do not have any position in your heart?"
