

## The Yun Family's Ninth Child is an Imp! Chapter 1246

Di beiming and Yun Chujiu never thought that there would still be people listening to the walls outside. The two of them were so angry that they didn't even notice. Now that they heard the voice of the Hall Master's wife, both di beiming and Yun Chujiu felt a little embarrassed. However, Yun Chujiu was a little more thick-skinned. She pinched di Beiming's arm and left the room. Di beiming was pinched until he grinned and then laughed. The pain meant that he was not dreaming. Little Jiu would never leave him. This was great. "Aunty, why didn't you come into the house when you came? Although my courtyard used to be quite shabby, it's still not bad after cleaning it up." Yun Chujiu said with a smile. The palace mistress originally wanted to scold Yun Chujiu, but when she heard Yun chujiu mention the courtyard, she couldn't help but feel a little guilty, she went straight to the point and said, "You've stayed in the Hall of longevity for quite a long time already. Moreover, Tianyuan Academy is about to start. Manager Luo will send the three of you back to Tianyuan Academy tomorrow. You Should Get Ready." "What? Leave Tomorrow? Aunt, I really can't bear to part with you!" The hall master's wife thought to herself, hmph, what a nice thing to say, can't bear to part with me? 'you can't bear to part with that Little Brat, right?'" "Aunt, I'm leaving now, don't you and uncle need to give me something?" Yun Chujiu said shamelessly. "Give You Something?" "you swept away all the things in the spaceship, and borrowed money from manager Luo to reward her. You also extorted 450,000 high-grade spirit stones, and went to the canteen to ask for help when you had nothing to do. The ingredients in the canteen, which could have been used for half a year, were destroyed in a few days by you.'. Also, the forest of Spirit Fruits was almost gone by you. What else do you want? If you really want to give it to me, I'll give you four words. Take care of yourself!" The palace master's wife left angrily after saying that. She felt that if she did not leave now, she might be tricked by the little girl again. When that time came, she would be cheated of money again. Yun chujiu touched her nose and turned around to ask di beiming, "Prince Charming, why did your mother say that? I feel that I'm so greedy. I didn't take much food. I just took it according to my half a year's worth of food." "Little Jiu, my mother has such a personality, don't take it to heart. If you still want them, I'll immediately arrange for someone to cook them for you." "That's not necessary, I'm not a greedy person." The corner of di Beiming's eyes twitched. He had already taken half a year's worth of dishes, how could he still be greedy? "Little Jiu, after we go back, I'm afraid that Deputy Dean Yin and the others will make things difficult for you. If they make things difficult for you, you can just retaliate. I'll take care of everything." "Oh right, Prince Charming, you still don't know, right? I have a new backer in the Tian Yuan Academy! That dry old man is the dry old man that the library wanted me to copy books from. I've taken him in as my master! "Haha, that Old Man is obviously very awesome. If Yin Haoyu wants to bully me, no way!" Yun Chujiu said smugly. Taken in as your master? Why does it sound so awkward? Shouldn't he be the one being accepted as his disciple? "Although senior Jiang hasn't had much contact with him, his spiritual power is very high and he is quite mysterious. With him protecting you, it is naturally very good. However, he has a perverse personality, why would he accept you as his disciple?" Di beiming asked, puzzled. Yun chujiu told him everything, and also told him about the mid-year competition. Although di beiming had solved the knot in his heart and knew that Yun Chujiu would not leave, when he heard that Yun Chujiu had taken in another remnant soul, the sense of crisis in his heart was even stronger. He kept feeling that these things seemed to be unrelated, in fact, they were all

inextricably linked. He had to hurry up his cultivation and increase his strength. There were too many strange things that had happened to Little Jiu. Moreover, the Divine Devil Hall might make a comeback. Only then could he protect little jiu.
