

The Yun Family's Ninth Child is an Imp! Chapter 1249

On the stage, Yin Xinlian stared at Yun chujiu with a malicious gaze. B * TCH, because of you, our Yin family lost thirty-two secret guards. Because of you, our Yin family lost one-tenth of our spirit stone mine share. Because of you., i've offended the palace master's wife. Today, I must kill you. Yun chujiu slowly walked to the bottom of the life and Death Arena and jumped onto it. After the two of them got on the life and Death Arena, a layer of spiritual power covered the life and Death Arena. Only when both sides agreed to end the competition would the spiritual power cover be opened. Of course, if one side died, the other side could also open the spiritual power cover. Yin Xinlian didn't talk to Yun Chujiu at all. She directly attacked Yun chujiu with her spiritual power. Yin Xinlian was practicing the middle-level physical transformation technique, and the physical transformation turned out to be a snake. It spat out its tongue and pounced on Yun Chujiu. "Aiyo, what kind of spiritual power does a person turn into? TSK TSK, people are vicious, and the spiritual power generated by the physical transformation is also so vicious. It's a perfect match!" Yun Chujiu said as she dodged Yin Xinlian's spiritual power attack. Yin Xinlian still didn't say anything and continued to attack Yun chujiu with her spiritual power. Yun chujiu dodged three moves before she started to fight back. She said with conviction, "Yin Xinlian, although you are not kind, I can not be unrighteous. On account that you are older than me, I will let you have three moves." Yin xinlian shouted angrily, "Yun Chujiu! You are the one who is older!" "Yin Xinlian, since you admit that I am older than you, then do you have the ability to let me have three moves?" "In Your Dreams!" Yin Xinlian did not continue to argue. She knew that Yun Chujiu's mouth was very sharp. She could not be fooled, otherwise, she would be easily affected by Yun Chujiu. However, Yun Chujiu would not let her be so quiet. Her small mouth kept talking non-stop. "TSK TSK, you really are shameless! No wonder a third-year student actually went on the life and Death Arena with a little girl like me. What a bully!" "One of the three beauties of Tianyuan Academy? You are far inferior to senior sister Qin and senior sister Bai Li! It's fine if you don't look as good as them, but the most important thing is that you are wicked and Shameless!" "But that's right. Your Yin family has a long history of learning, and that Little B * Tch Yin Sulian is no good either! You two are a pair of Shameless B * stards!" .. Yin Xinlian was so angry that her face turned red, and the attacks on her hands became even fiercer. However, Yun chujiu was like a slippery little loach, and she couldn't hurt her at all. Yin Xinlian gritted her teeth. Anyway, she could use any moves on the life and Death Arena, so why should she fight with her spiritual power attacks? Thinking of this, Yin Xinlian summoned a spiritual beast from her spiritual beast pouch. The onlookers couldn't help but exclaim! What Yin Xinlian summoned was actually a level 21 three-eyed lightning marten. A Level 21 spiritual beast was equivalent to a cultivator of the first to third level of the Spirit Saint Realm. Yun Chujiu had enough trouble dealing with Yin Xinlian alone, if this three-eyed lightning marten was added to the mix, Yun Chujiu would definitely be finished. Although Yun Chujiu was mentally prepared, when she saw that Yin Xinlian had actually created such a high-level spirit beast, she was still a little apprehensive. If she released the three dumb Cuties, she would naturally be able to deal with this three-eyed lightning marten. However, she was afraid that it would attract trouble. Forget it, she would hold on for a while. If she really couldn't do it, she would talk about it later. Hence, Yun Chujiu started to block the attacks of Yin Xinlian and the three-eyed lightning marten. Not long after, she

was unable to block them. This fellow gave Yin Xinlian an evil smile, and Yin Xinlian's heart was shocked, what kind of evil scheme was Yun chujia up to this time?
