

## The Yun Family's Ninth Child is an Imp! Chapter 1250

Yin Xinlian was on guard and once again attacked Yun Chujiu with her spiritual power. Unexpectedly, Yun Chujiu did not dodge at all. Instead, she aimed several purple needles at the three-eyed lightning Marten's eyes. The people below the life and death arena could not help but cry out in surprise. Did This Yun Chujiu want to die? Why didn't she dodge? Wasn't she courting death? Yin Xinlian's heart was filled with joy. Yun Chujiu, did you suddenly lose your mind? Once this spiritual attack hit her body, she would lose at least half of her life! Unexpectedly, when Yin Xinlian's spiritual attack was about to reach Yun Chujiu's body, it was blocked by a layer of spiritual energy barrier. Yin Xinlian was so angry that she gritted her teeth. She inexplicably recalled that last time, the palace master's wife's spiritual weapon had been taken away by Yun Chujiu. There were many defensive spiritual weapons inside. However, I don't believe that you haven't used your defensive spiritual weapon all this time. I must kill you today. Therefore, the people below saw that Yin Xinlian kept attacking Yun Chujiu, but was blocked by Yun Chujiu's defensive spiritual weapon. As for Yun Chujiu, she kept chasing after the three-eyed lightning marten, she specialized in attacking its eyes and other vulnerable spots. The three-eyed lightning marten was almost driven mad with anger. Those purple needles were very small, and a moment of carelessness would cause those purple needles to hit its vital points. Therefore, the three-eyed lightning marten stopped attacking and desperately dodged Yun Chujiu's attacks. Therefore, the audience watched as the two people and one beast began to circle around the stage. Yun Chujiu chased after the three-eyed lightning marten, while Yin Xinlian chased after Yun Chujiu. Damn, this was the first time he had seen such a fight. No Wonder Yun Chujiu was always greedy. At such a critical moment, this defensive spirit tool was really useful. Only this guy could afford to use such a wasteful method. Fifteen minutes later, the three-eyed lightning ferret was careless and was shot into the left eye by Yun Chujiu's small purple needle. After the small purple needle exploded, the three-eyed lightning ferret cried out continuously. Yin Xinlian had no choice but to put the three-eyed lightning ferret back into her spirit beast pouch and continue to attack Yun Chujiu with her spiritual power. Yun Chujiu followed the same pattern and did not defend at all. Instead, she attacked Yin Xinlian. Yin Xinlian panicked. She did not know how many defensive spirit tools this B \* Tch had on her. If this went on, she would probably be injured by her. It seemed that she could only use her trump card. Yin Xinlian took out an array disk from her storage ring. After biting her index finger to lower the blood, the array disk began to activate. Yun Chujiu immediately realized that she was in darkness. She knew that she had entered Yin Xinlian's array. She quickly activated several defensive spiritual artifacts on her body to prevent a sneak attack. At the same time, she took out the luminous pearl to illuminate the surroundings. Even with the luminous Pearl's illumination, she could only see the surroundings within ten feet. The distance was still gray. At this moment, several golden-backed mountain mandrakes with sharp claws and teeth pounced on Yun Chujiu. Yun Chujiu quickly used the purple needles to attack the golden-backed mountain mandrakes' eyes and other vulnerable parts. Although the effect was good, the golden-backed mountain mandrakes kept appearing one after another. If Yun Chujiu killed one batch, another batch would come. Yun Chujiu frowned. This could not go on. In the end, she would be exhausted to death. She had to think of a way to break the formation. The fastest way to break the formation was to destroy the formation disk, but the formation disk was in Yin Xinlian's hands, how could she destroy the formation disk? Yun

Chujiu felt that she had too many things to learn. Previously, the gigolo told her not to bite off more than she could chew, but now it seemed that she had to have a strong overall strength. Otherwise, she would be too restricted.
