

The Yun Family's Ninth Child is an Imp! Chapter 1254

After two earth-shaking explosions, the entire arena ceased to exist, turning into a huge pit. The spectators were forced back dozens of steps by the shockwave. The arena was filled with black smoke, and everyone held their breaths. Would a miracle happen again? Were both of them alive or dead? Or was only one alive? Deputy Dean Yin clenched his fists tightly. Even if someone was alive, it would be Xinlian. After all, Xinlian had two defensive immortal artifacts on her. In the Deep Pit, Yin Xinlian woke up first. Although she had suffered serious internal injuries, she was still alive with the protection of an immortal artifact. She swallowed a handful of pills and saw Yun chujiu lying not far away, she gritted her teeth. "B * Tch! You Want to kill me? Although you are already dead, I still have to cut you into pieces to appease the hatred in my heart!" Yin Xinlian struggled to stand up, took out her sword and staggered to the side of Yun chujiu's "Corpse". She raised the sword and slashed at Yun Chujiu. Unexpectedly, Yun chujiu's "Corpse" rolled on the ground and avoided Yin Xinlian's sword. Before Yin Xinlian could react, Yun chujiu grabbed her ankle and threw her to the ground. At the same time., a large kitchen knife was pressed against her neck. "You... You Didn't die either?" Yin Xinlian blurted out in disbelief. Yun Chujiu didn't pay any attention to her and directly slashed down. Yin Xinlian was unwilling to die. Yun chujiu put away the large kitchen knife and wiped the blood from her mouth. "F * ck, why are you still talking so much nonsense on the verge of death! If I answer you, what if something bad happens? Wouldn't all my efforts be wasted? I'm not that stupid!" Yun chujiu swallowed a handful of heaven-grade blood coagulation pills and did not sit on the Big Kitchen Board to fly up. This fellow was very shrewd. That old B * Stard, Deputy Dean Yin, might be waiting for her up there. She was extremely weak now, he would kill her if he was "Careless". She had better send a message to the dean first to ensure her safety before she went up. Ever since Yun Chujiu was harmed by Dian Cui, her vigilance had increased. She had really guessed right. At this moment, Dean Huangfu and the others were surrounding the entrance of the pit. That was what Deputy Dean Yin had planned in his heart. If Xinlian was still alive., it would be fine if Yun Chujiu was dead. If Xinlian was dead and that B * Tch Yun Chujiu was still alive, he would just "Accidentally" kill her. Huangfu Zhongheng wouldn't be able to do anything to him. After receiving Yun Chujiu's voice transmission talisman, Dean Huangfu gave Deputy Dean Xiao a look. Deputy Dean Xiao said, "This pit is too deep. I can't see anything clearly inside. Let me go down and take a look." After saying that, deputy dean Xiao rode his sword and flew down. Although Deputy Dean Yin was so angry that he gritted his teeth, there was nothing he could do. He could only pray in his heart that Xinlian would be safe. As for that B * Tch Yun chujiu, she must have died. Unfortunately, things did not go as he wished. Not long after, Deputy Dean Xiao flew up. Behind him was a person sitting on the chopping board. Although he was in a sorry state and there were traces of blood on his face, his smile was very bright. Who else could it be but Yun Chujiu? ! With deputy Dean Xiao's protection, Deputy Dean Yin didn't have the chance to make a move even if he wanted to. He asked with a trembling voice, "Where's Xinlian?" "She's down there. Go and find her!" Yun Chujiu said with a smile. Deputy Dean Yin hurriedly rode his sword and flew down. Then, everyone heard Deputy Dean Yin's heart-wrenching cry of "Xinlian." Everyone naturally understood that Yin Xinlian was probably dead. Not long after, Deputy Dean Yin flew up with Yin Xinlian's body in his arms. Yin Sulian and Yin Xuecheng immediately burst into tears, Yin Sulian gritted her teeth and said, "Yun Chujiu, you killed my sister. We are irreconcilable

enemies!” Yun chujiu shrugged her shoulders and said, “You say that as if we had a good relationship in the past? This is the life and Death Arena. Isn’t it normal for a dead person to die? If you want to take revenge, you should also get a challenge token. Let’s meet on the life and Death Arena!”
